(c) Notwithstanding the provisions of the foregoing, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in paragraph (a) or (b) hereof by appropriate legal proceedings conducted in good faith and with due diligence. Notwithstanding the provisions of this paragraph, if, because of a breach or violation of the provisions of paragraph (a) or (b) hereof (without giving effect to this paragraph), the Agency or any of its members, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(d) If any action shall be brought against the Agency based upon any cause of action in respect of which indemnity may be sought by the Agency against the Company, the Agency agrees to promptly notify the Company, in writing, and the Company will assume the defense thereof, including the employment of counsel reasonably satisfactory to the Agency, the payment of all expenses and the right to negotiate and consent to settlement; provided, however, the Agency shall have the right to defend itself in any such action but the fees and expenses of such defense including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be at the expense of the Agency unless (i) the defense of itself by the Agency has been authorized in writing by the Company, (ii) the Agency shall have reasonably concluded that there may be a conflict of interest between the Company and the Agency in the conduct of the defense of such action or (iii) the Company shall not in fact have employed counsel and other defense experts reasonably satisfactory to the Agency for the assumption of the defense of such action. The Company shall not be liable for any settlement of any action or claim effected without its consent which consent shall not be unreasonably withheld.

(e) The indemnity agreements contained in this Section 6.2 shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the

Agency or the termination of this Lease Agreement and until the expiration of any applicable statute of limitations.

(f) The Company shall, and hereby agrees to, whether or not it carries casualty insurance or is self-insured, be solely responsible for the risk of any casualty, loss or damage from whatever cause to the Project and the Agency shall not, unless arising from the intentional acts or misconduct of the Agency, be responsible or liable therefor.

(g) The Company further agrees to enforce any and all provisions of any lease, sub-lease or similar agreement to which it is a party pertaining in any manner to compliance with environmental law, rule or regulation enacted or adopted by any governmental body and to remediate any environmental contamination in or on the Land or the Building.

Section 6.3 Payment of Expenses by the Company. The Company shall promptly reimburse the Agency for every expense, reasonably required and incurred in reasonable amounts by the Agency, including attorneys' fees and court costs, with respect to this Lease Agreement and any prior written agreement between the parties relating to the transactions contemplated herein.

Section 6.4 Right to Inspect the Project. The Agency and its duly authorized agents shall have the right at all reasonable times and on at least twenty-four hours' notice to the Company to inspect the Project; provided, however, that the Agency shall not have any duty to make any such inspection nor incur any liability or obligation by reason of not making such inspection.

Section 6.5 Agreement to Provide Information. The Company agrees, whenever requested by the Agency, within a reasonable period of time, to provide and certify or cause to be provided and certified such information concerning the Company and any tenant, subtenant or occupant of the Project as the Agency from time to time reasonably considers necessary or appropriate in connection with the transactions contemplated by this Lease Agreement, including, but not limited to, such information as to enable it or the Agency to make any reports required by law or governmental regulation. Without limiting the foregoing, the Company acknowledges and affirms to the Agency that it has read and understands the Agency's annual financial reporting requirements contained in Section 859 and 859-a of the General Municipal Law, the Agency's filing requirement contained in Section 874(9) of the General Municipal Law and Section 875 of the General Municipal Law acknowledges that the Agency cannot comply with said annual reporting requirements and filing requirements without necessary information being provided by the Company and any tenant, subtenant or occupant of the Project and agrees to provide to the Agency (i) not later than February 1 of each year, the name and address of the then current owner of the Project, the number of jobs at the Project, the estimated value of the financial assistance provided by the Agency to the Company during the preceding calendar year and such other information as the Agency may reasonably request which may be necessary for the Agency to comply with its annual financial reporting requirement, and (ii) within ten days of the date that the Agency designates the Company to act as agent of the Agency for purposes of extending a sales tax exemption to the Company, the information required by Section 874(9) of the General Municipal Law. The Company each further acknowledges and affirms to the Agency that it has read and understands the Company's annual

financial reporting requirement contained in Section 874(8) of the General Municipal Law and agrees to file a statement with the State Department of Taxation and Finance, on a form and in such manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales and use tax exemptions claimed by the Company as agent of the Agency with respect to the Project.

Section 6.6 Books of Record and Account; Financial Statements. The Company hereby agrees to maintain, and to cause the Guarantor to maintain, proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all financial affairs of the Company and of the Guarantor. Financial statements are to be prepared using straight line depreciation over the useful life of any asset.

Section 6.7 Compliance With Orders, Ordinances, Etc. (a) The Company hereby agrees with the Agency that it will promptly comply, and that it will cause all tenants, subtenants and occupants of the Project to comply with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, foreseen or unforeseen, of all federal, State, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers and companies or associations insuring the Project, which now or at any time hereafter may be applicable to the Project or any part thereof, or to any use, manner of use or condition of the Project or any part thereof. The Company shall furnish or cause to be furnished to the Agency reasonable evidence of receipt by the Company of all required and available governmental permits and licenses, if any, related to the Project.

(b) Notwithstanding the provisions of subsection (a) of this Section 6.7, the Company may in good faith actively contest the validity or the applicability of any requirement of the nature referred to in such subsection (a). In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, provided that adequate book reserves in accordance with generally accepted accounting principles (in the opinion of its independent accountant) have been established with respect thereto. If the Agency shall notify the Company that by failure to comply with such requirement or requirements the Project or any part thereof may be subject to loss or forfeiture, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

Section 6.8 The Company to Maintain Its Legal Existence; Conditions Under Which Exceptions Permitted. The Company hereby agrees that it will maintain, and will cause the Guarantor to maintain, its legal existence, not dissolve or otherwise dispose of all or substantially all of its assets, and not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it without the prior written consent of the Agency.

Section 6.9 Employment Opportunities, Notice of Jobs. The Company hereby covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection

with the Project to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Project is located (collectively, the "Referral Agencies"). The Company hereby also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

Section 6.10 Further Assurances. (a) The Company hereby agrees to execute and deliver to the Agency all such documents and instruments and do all such other acts and things as may be necessary or required by the Agency to enable the Agency to exercise and enforce its rights under this Lease Agreement, and to record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the Agency to validate, preserve and protect the rights of the Agency under this Lease Agreement.

(b) The Agency agrees to consider granting its consent to, and hereby agrees not to unreasonably withhold its consent from, such documents as may be necessary to permit the Company to obtain financing for the Project.

Section 6.11 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should Default under any of the provisions of this Lease Agreement and the Agency employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay, to the extent permitted by law, to the Agency the reasonable fees and expenses of such attorneys and such other expenses so incurred. In the event that a court of competent jurisdiction finally determines that a default did not occur then no such fees shall be owed.

Section 6.12 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 6.13 Waiver of Jury Trial. In any action arising hereunder the parties mutually waive trial by jury and agree the venue shall be Suffolk County, New York.

Section 6.14 Obligations of the Company Hereunder Unconditional; No Release of Obligations of Agency. (a) The obligations of the Company to make the payments required hereunder and of the Company to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Company and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company agrees that it will not (i) suspend, discontinue or abate any payment required hereunder, (ii) fail to observe any of its other covenants or agreements in this Lease Agreement or (iii) except as provided in Section 9.1 hereof, terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the constructing and equipping of the Project to

be used as contemplated in this Lease Agreement or otherwise, any defect in the title, design, operation, merchantability, fitness or condition of all or any portion of the Project or in the suitability of all or any portion of the Project for the Company's purposes or needs, failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either or any failure of the Agency to perform or observe any agreement, express or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement. In the event the Company should fail to make any payment pursuant to this Lease Agreement, the payment in default shall continue as an obligation of the Company until the amount in default shall have been fully paid.

(b) Failure of the Company to comply with this Section 6.14 hereof shall not be construed to release the Agency from the performance of any of the agreements on its part contained in this Lease Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute in any court of competent jurisdiction located in Suffolk County, New York, such action against the Agency as the Company may deem necessary to compel performance or recover damages for such non-performance; provided, however, that the Company shall look solely to the Agency's estate and interest in the Project for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other property or assets of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease Agreement, the relationship of the Agency and the Company hereunder, the Company's use of the Project or any other liability of the Agency to the Company.

Section 6.15 Recapture of Agency Benefits.

(a) It is understood and agreed by the parties to this Lease Agreement that the Agency is entering into this Lease Agreement in order to accomplish the public purposes of the Act. In consideration therefor, the Company hereby agrees as follows:

(i) If there shall occur a Recapture Event (as defined below) prior to the completion of the construction and equipping of the Project and the Company thereafter sells all or substantially all of the Project or causes all or substantially all of the Project to be sold within two years of the exercise of such option to terminate this Lease Agreement, the Company shall pay to the Agency, as a return of public benefits conferred by the Agency, all Benefits as defined below.

(ii) If there shall occur a Recapture Event after the earlier of (i) the date on which the Project shall have been substantially completed, or (ii) twenty-four months from the date of execution of this Lease Agreement (the earlier of said dates hereinafter the "Operations Commencement Date"), the Company shall pay to the Agency as a return of public benefits conferred by the Agency, the amounts set forth in this paragraph (a)(ii) of Section 6.15.

1. one hundred percent (100%) of the Benefits if the Recapture Event occurs within the first six (6) years after the Operations Commencement Date;
2. eighty percent (80%) of the Benefits if the Recapture Event occurs during the seventh (7th) year after the Operations Commencement Date;
3. sixty percent (60%) of the Benefits if the Recapture Event occurs during the eighth (8th) year after the Operations Commencement Date;
4. forty percent (40%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the Operations Commencement Date;
5. twenty percent (20%) of the Benefits if the Recapture Event occurs during the tenth (10th) year after the Operations Commencement Date.

The term "Benefits" shall mean, collectively, all Financial Assistance realized by the Company including, but not limited to, exemption from real property tax, mortgage recording tax, transfer tax, sales or use tax, and filing and recording fees.

The term "Recapture Event" shall mean any of the following events:

1. The Company shall have liquidated its operations and/or assets or shall have ceased all or substantially all of its operations at the Project (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town);
2. The Company shall have leased all or any portion of the Project in violation of the limitations imposed by Section 7.1 hereof, without the prior written consent of the Agency;
3. The Company shall have effected substantial changes in the scope and nature of the Company's operations at the Project;
4. The Company shall have transferred all or substantially all of its employees to a location outside of the Town; or
5. The Company shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Project.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Project, (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project after the damage or destruction of the project, in whole or in part, to substantially its condition prior to such event, which inability shall have arisen in good faith through no fault on the part of the Company, or (iii) a matter to which the Agency shall have given its express prior written consent.

6. The submission of any knowingly materially false or knowingly materially misleading information in the Application or proceedings held by the Agency on the Application. This is a continuing obligation of the Company.

7. Failure to comply with the requirements of General Municipal Law Section 875.

(b) The Company covenants and agrees to furnish the Agency with written notification upon any Recapture Event occurring within ten (10) years of the Operations Commencement Date, which notification shall set forth the terms thereof. The provisions of this Section 6.15 shall survive the termination of this Lease Agreement for any reason whatsoever, notwithstanding any provision of this Lease Agreement to the contrary.

(c) In the event any payment owing by the Company under this Section 6.15 shall not be paid on demand by the Company, such payment shall bear interest from the date of such demand at the rate of nine percent (9%) per annum until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Company under this Section 6.15.

(e) The Company covenants and agrees to furnish the Agency with written notification upon any such disposition of the Project or any portion thereof made within ten (10) years of its completion, which notification shall set forth the terms of such sale. The provisions of this Section 6.15 shall survive the termination of this Lease Agreement for any reason whatsoever, notwithstanding any provision of this Lease Agreement to the contrary.

(f) In the event of a conflict between this section 6.15 "Recapture of Agency Benefits" and the General Municipal Law Section 875, Section 875 shall control.

Section 6.16 Sales Tax

The "Sales Tax Agreement Authorization Letter" is attached to the Lease as Exhibit B. All notices, filings and requirements of the letter shall be promptly performed by the Company.

ARTICLE VII.

ASSIGNMENT AND RESTRICTION ON LEASE OF PROJECT

Section 7.1 Assignment and Restriction on Lease of Project. (a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of all the Agency's interest in the Project as an entirety to, any other public benefit corporation or political subdivision which has the legal authority to lease the Project, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the entity resulting from such consolidation or surviving such merger or to which the Project shall be transferred. Subject to the foregoing, the Agency agrees that it will not assign or convey its right, title and interest in and to this Lease Agreement, the Project, or any portion thereof, without the prior written consent of the Company.

(b) As soon as reasonably practical, but in no event later than thirty (30) days after the consummation of any such consolidation, merger or transfer of all the Agency's interest in the Project created hereunder, the Agency shall give notice thereof in reasonable detail to the Company. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company reasonably may request.

(c) Except for (i) necessary easements and rights of way granted in the ordinary course of business, and (ii) collateral assignments made in connection with the financing of the Project by the Company, the Company hereby agrees that it will not assign or convey its rights, title and interest in and to this Lease Agreement, the Project, or any portion thereof, without the prior written consent of the Agency.

(d) The Agency and the Company from time to time may release from the provisions of this Lease Agreement and the estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Project. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver any and all instruments necessary or appropriate so to release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

ARTICLE VIII.

EVENTS OF DEFAULT AND REMEDIES

Section 8.1 Events of Default Defined. The following shall be an "Event of Default" under this Lease Agreement and the terms "Event of Default" or "Default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

(i) The failure by the Company to pay or cause to be paid, when due and after the expiration of any applicable grace period, the amounts specified to be paid either pursuant to this Lease Agreement or pursuant to the PILOT Agreement;

(ii) The failure by the Company to observe and perform any covenant, condition or agreement hereunder on its part to be observed or performed, other than a payment obligation referenced in subparagraph (i) hereof, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied, given to the Company by the Agency, unless, by reason of the nature of such failure the same cannot be remedied within such thirty (30) day period, in which event the period during which such failure may be remedied shall be extended to such period during which the Company is proceeding with reasonable diligence in remedying such failure;

(iii) The commencement by the Company of a voluntary case under the federal bankruptcy laws, as now constituted or hereafter amended, or any other applicable federal or State bankruptcy, insolvency or other similar law, or the consent by it to the receiver, liquidator, assignee, Managing Member, custodian, sequestrator (or other similar official) of the Company or for all or substantially all of its property, or the making by it of any assignment for the benefit of creditors.

Section 8.2 Remedies on Default. (a) Whenever any Event of Default shall have occurred and be continuing, the following remedies shall be available:

(i) The Agency may terminate this Lease Agreement as provided in Section 9.1(b) hereof;

(ii) The Agency may take any other action at law which may appear necessary or desirable to collect any amounts then due and to enforce the obligations, agreements or covenants of the Company under this Lease Agreement.

Section 8.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

Section 8.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.

Section 8.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.6 Certificate of No Default. The Company shall deliver to the Agency each year no later than January 15 a certificate signed by the member of the Company stating to the best of Company's knowledge and belief, with any duty of inquiry, that the Company is not in default under this Lease Agreement and no Event of Default exists under this Lease Agreement, the PILOT Agreement, or any other document executed and delivered by the Company in connection with the Project.

ARTICLE IX.

TERMINATION OF LEASE AGREEMENT AND GROUND LEASE

Section 9.1 Termination of Lease Agreement and Ground Lease. (a) The Agency and the Company shall terminate this Lease Agreement and the Ground Lease after receipt by the Agency of a written request of the Company to terminate this Lease Agreement and the Ground Lease and after complying with the provisions of paragraphs (c) and (d) hereof.

(b) (i) The Agency may terminate this Lease Agreement upon the occurrence and continuance of any Event of Default provided in Section 8.1 hereof by delivering a written notice to the Company stating that a specified Event of Default has occurred and is continuing and stating that this Lease Agreement is terminated by the Agency, or (ii) the Agency may terminate this Lease Agreement any time not more than ninety (90) days prior to or at any time following the taxable status date applicable to the tax year during which the Company will be required to make payments in lieu of taxes under the PILOT Agreement equal to 100% of the taxes that would have been owing on the Project but for the Agency's ownership of the Project by delivering a written notice to the Company stating such fact and stating that this Lease Agreement is terminated by the Agency; in each case after complying with the provisions of paragraphs (c) and (d) hereof.

(c) The Agency shall, at the sole expense of the Company, execute, deliver and record or file such instruments, and shall take such other action as may be deemed necessary or appropriate by the Company, to evidence or confirm termination of this Lease Agreement and the Ground Lease which shall otherwise remain in full force and effect and constitute a Lien against the Project, to the extent provided in paragraph (e) of this Section 9.1 with respect to the Lease Agreement, subject to such Liens (i) as existed when the Project (or the Land or Building) was acquired by the Agency, (ii) as were created by the Company or any tenant, subtenant, occupant of the Project, agent of the Company or Person authorized by the Company, (iii) to the creation of which the Company consented to or in the creation of which the Company acquiesced, and (iv) which the Company was required to remove but failed to do so. The Company hereby unconditionally agrees to accept any such instruments, to permit recordation or filing of any such instruments and to execute any instruments, as may be deemed necessary or appropriate by the Agency, to evidence termination of this Lease Agreement, the Ground Lease and of the PILOT Agreement. Failure of the Company to accept or execute any such instruments shall not be a defense or bar to the validity of the termination of this Lease Agreement, the Ground Lease or the PILOT Agreement or the re-conveyance of a leasehold interest in the Project from the Agency to the Company. Delivery of any such instruments, including, without limitation, such Ground Lease from the Agency to the Company, shall not relieve the Company of any of its obligations under either the Lease Agreement or the PILOT Agreement.

(d) If, at the expiration of the Agreement Term, the Company shall not have then satisfied any monetary obligation to the Agency pursuant to either this Lease Agreement or the PILOT Agreement, the Agency, prior to the execution of any instruments referenced in paragraph (c) hereof, may provide to the Company a statement itemizing, in reasonable detail, the amount of any such monetary obligation as the Agency shall in good faith

then know or estimate and the Company shall either pay all or a part of such sum to the Agency or to an escrow agent acceptable to the Company and the Agency. If any such sum shall be paid to an escrow agent as herein provided, the Company and the Agency shall immediately negotiate, arbitrate or litigate to determine the right of the Agency to receive any such sum. Any interest earned on the investment of such sum when held and invested by such escrow agent shall be paid to the Company or the Agency in accordance with the determination of such negotiation, arbitration or judicial proceeding.

(e) Upon termination of this Lease Agreement neither the Agency nor the Company shall have any further obligation incurred during the Agreement Term hereunder except for the obligations of the Company set forth in Sections 3.1(b), 3.3(a), (e) and (f), 4.3(a), 6.2, 6.3, 6.11, 6.13, 6.14, 6.15, 8.4, 9.1 and 10.7 hereof which shall survive such termination and shall continue in full force and effect until the expiration of any applicable statute of limitations.

(f) Any request of the Company to terminate this Lease Agreement as provided in paragraph (a) hereunder shall state the date on which this Lease Agreement shall terminate, which date shall not be less than thirty (30) days nor more than ninety (90) days after the date on which the Agency receives such request. Any direction of the Agency to terminate this Lease Agreement, as provided in paragraph (b) hereunder, shall state the date on which this Lease Agreement shall terminate, which date shall not be less than fifteen (15) days nor more than forty-five (45) days after the date on which the Company receives said direction.
