The **Administrative Fee** charged by the Agency at closing is as follows:

¾ of 1% of the financial assistance on the first \$10 million.

¼ of 1% of the financial assistance between \$10 million and \$20 million.

1/10 of 1% of the financial assistance over \$20 million.

Annual Reporting/Compliance Fee: payable with pilot

For bond/lease projects between \$5 million and \$10 million - \$1000 annually

For bond/lease projects between \$10 million and \$20 million - \$2000 annually

Late Reporting/Compliance Fee: commencing the day following report due date

State law requires that the Town of Riverhead Industrial Development Agency file an Annual Financial and Compliance Report with the State of New York. Much of the information within this report is required to be furnished by your company and the IDA is obligated to meet a state submission deadline. In order to meet this deadline, the Agency will impose a \$500 penalty for late filings applied the day immediately following the due date with an additional two hundred and a \$250 pro-rateable fee for every 30 days thereafter until the submission of the report or benefit recapture provision is implemented.

Processing Fee:

During the course of IDA ownership/involvement, the Agency may occasionally be required, by the company, to consent to a variety of items, i.e. prepayment of bonds, sales tax extensions, , etc. The Agency will charge a \$250 processing fee for each request.

Assignments & Assumptions:

Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT or mortgage recording tax benefits, to a different company, typically upon the sale of the IDA property. The new company often wishes to continue IDA involvement to maintain the viability of the project and needs to retain the incentives. The Agency will charge a \$1200 fee for each of these transactions.

Refinance Fee:

During the course of IDA ownership/involvement, the Agency may be required, by the company, to consent to a variety of refinancing mechanisms i.e. second mortgages, additional secured financing, refinancing, etc. The Agency may charge a \$2500 processing fee for each request.

Late PILOT Payment:

In addition to requirements of GML 874(5), the Agency reserves the right to impose its own 5% penalty, plus \$1000 administrative fee for delinquent PILOT payments that are 5 days late.

**RIVERHEAD INDUSTRIAL DEVELOPMENT AGENCY:
LOCAL LABOR POLICY
Adopted by Resolution #48-14**

Purpose

The purpose of this resolution is to encourage companies receiving economic benefit and/or incentive from the Riverhead Industrial Development Agency (the "Agency") to engage local residents from the Town of Riverhead and the County of Suffolk during the construction phase of projects through the addition of an amendment to the Agency project application. All Agency projects are subject to monitoring by the Riverhead IDA.

Construction Jobs

Construction jobs, although limited in duration, are vital to the overall employment opportunities within the region since construction wages earned by local residents are reinvested in the local economy. It is hereby established to be the policy of the Agency that companies to which it has provided inducement use best efforts to employ local residents during the construction phase of projects. This will ensure that maximum public benefit is realized from Agency assistance.

Requirements of the Applicant

As a condition of receiving inducement and/or financial assistance from the Agency, the Company will agree to satisfy the following requirements, in form and substance satisfactory to the Agency.

The Company hereby represents and warrants that it will use commercially reasonable efforts to advertise, hire and cause any agent of the Company, general contractor, subcontractor, or subcontractor to a subcontractor working on the Project, to hire employees who live within Suffolk County, prioritizing Riverhead residents. The Agency understands and acknowledges that at certain times local labor may not be available.

Submit to the Agency a "Construction Completion Report" listing the names and business locations of prime contractors, subcontractors and vendors who have been engaged for the construction phase of the project by companies benefitting from the Agency programs. Said report shall identify the name, title, mailing address, phone/fax/email of the project contact person who will be responsible and accountable for providing information about the award of construction contracts relative to the project.

The Agency, may at any time during the benefit period, enhance the monitoring and reporting requirements relative to tracking and encouraging the use of local labor.

As an officer of said corporation (hereinafter referred to as the "Applicant"), Deponent acknowledges and agrees that Applicant shall be and is responsible for all costs incurred by the Riverhead Industrial Development Agency (hereinafter referred to as the "Agency") acting on behalf of Applicant in connection with this application and all matters relating to the issuance of bonds. If, for any reason whatsoever, Applicant fails to conclude or consummate necessary negotiations or fails to act within a reasonable or specified period of time to take reasonable, proper, or requested action or withdraws, abandons, cancels, or neglects the application, or if Applicant is unable to find buyers willing to purchase the total bond issue, then upon presentation of an invoice, Applicant shall pay to the Agency, its agents or assigns, all actual costs incurred with respect to the application, up to that date and time, including fees to bond counsel for the Agency and fees of general counsel for the Agency. Upon the successful conclusion and sale of the bond issue, the Applicant shall pay to the Agency an administrative fee set by the Agency not to exceed an amount equal to 3/4 of one percent of the face amount of the bond issue, which amount is payable at closing. The Applicant understands that the Agency's bond counsel's fees, general counsel's fees and administrative fee are considered issuance expenses and, therefore, can only be paid for or reimbursed out of the proceeds of any resultant tax-exempt bond issue up to an aggregate amount not exceeding 2% of the face amount of such tax-exempt issue.

RIVERHEAD INDUSTRIAL DEVELOPMENT AGENCY FEE SCHEDULE

A non-refundable application fee of \$2,000 for applications under \$5 million and \$4,000 for applications over \$5 million is required at the time of application. This fee will be credited to the Agency's Administrative Fee, payable at closing.

The **Administrative Fee** charged by the Agency at closing is as follows:

¾ of 1% of the financial assistance on the first \$10 million.

¼ of 1% of the financial assistance between \$10 million and \$20 million.

1/10 of 1% of the financial assistance over \$20 million.

1% of the financial assistance for amended applications post initial financial approval.

Reporting/Compliance Fee:

State law requires that the Town of Riverhead Industrial Development Agency file certain financial and compliance reports with the State of New York. Much of the information within these reports is required to be furnished by your company and the IDA is obligated to meet a state submission deadline.

Annual Compliance Reporting fee for Lease Projects \$250 annually

Annual Compliance Reporting fee for Bond Projects \$300 annually

*Compliance fees apply to each phase of a project which necessitates a separate NYS filing for reporting.

Late Reporting/Compliance Fee: commencing the day following report due date

State law requires that the Town of Riverhead Industrial Development Agency file an Annual Financial and Compliance Report with the State of New York. Much of the information within this report is required to be furnished by your company and the IDA is obligated to meet a state submission deadline. In order to meet this deadline, the Agency will impose a \$500 penalty for late filings (applied the day immediately following the due date) with an additional two hundred and a \$250 pro-ratable fee for every 30 days thereafter until the submission of the report or benefit recapture provision is implemented.

Processing Fee:

During the course of IDA ownership/involvement, the Agency may occasionally be required, by the company, to consent to a variety of items, i.e. prepayment of bonds, sales tax extension, etc. The Agency will charge a \$250 processing fee for each request.

Assignments & Assumptions:

Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT or mortgage recording tax benefits, to a different company, typically upon the sale of the IDA property. The new company often wishes to continue IDA involvement to maintain the viability of the project and needs to retain the incentives. The Agency will charge a \$4000 fee for each of these transactions if requests are made prior to any transfer, otherwise the assignment/assumption will require a full administrative fee of ¾ of 1%.

Refinance Fee:

During the course of IDA ownership/involvement, the Agency may be required, by the company, to consent to a variety of simple refinancing mechanisms i.e. second mortgages, additional secured financing, refinancing, etc. The Agency will charge a \$2500 processing fee for each request and reserves the right to increase the fee to reflect the complexity of each transaction, but not to exceed the basic administrative application fee.

Late PILOT Payment:

In addition to requirements of GML 874(5), the Agency shall impose its own 5% penalty, plus \$1000 administrative fee for delinquent PILOT payments that are 5 days late.

Re-Notification Fee

Occasionally, an applicant will cause an adjournment of a public hearing. The IDA will charge a fee of \$100 per requested adjournment to re-notify and repost public notice.

- All Agency fees are non-refundable and are as amended from time to time.
