<sup>\*</sup> If acquiring land, please note that Federal law prohibits the use of 25% or more of tax-exempt IDB proceeds for the purchase of land.

<sup>\*\*</sup> If acquiring existing buildings, please note that Federal law prohibits the acquisition of existing buildings with tax-exempt IDB proceeds unless the rehabilitation expenses of the building are equal to or greater than 15% of the portion of the cost of acquiring the building that is financed with tax-exempt IDB proceeds. Rehabilitation does not include any amount expended on new construction (additions or expansions).

#### RIVERHEAD INDUSTRIAL DEVELOPMENT AGENCY

TOWN OF RIVERHEAD

200 Howell Avenue Riverhead, NY 11901

(631) 369-5129

## NEW YORK STATE FINANCIAL REPORTING REQUIREMENTS FOR INDUSTRIAL DEVELOPMENT AGENCIES

Section 859 of the General Municipal Law requires additional financial reporting requirements by all IDA's in New York State. Of particular importance to IDA applicants is Section 859 (copy attached). This section requires IDA's to transmit financial statements within 90 days following the end of an Agency's fiscal year (RIDA FY = 1/1 - 12/31), prepared by an independent, certified public accountant, to the New York State Comptroller, the Commissioner of the New York State Department of Economic Development, and the governing body of the municipality for whose benefit the Agency was created (Town of Riverhead). These audited financial statements shall include supplemental schedules listing the following information:

- 1. All bonds and notes issued, outstanding or retired during the period and whether or not they are obligations of the Agency.
- 2. <u>All new bond issues</u> shall be listed and for each new bond issue, the following information is required:
  - a) Name of the project financed with the bond proceeds.
  - b) Name and address of each owner of the project.
  - c) The amount of tax exemptions granted for each project.
  - d) Purpose for which the bond was issued.
  - e) Bond interest rate at issuance and, if variable, the range of interest rates applicable.
  - f) Bond maturity date.
  - g) Federal tax status of the bond issue.

The Public Authorities Reform Act of 2009, Section 2800 requires annual reports of operations and accomplishments which includes projects undertaken by the authority. The Annual Compliance Reports shall include company provided information relative to individual projects including but not limited; to capital investment made, salaries, employee count, exemptions received, and pilot payments made. Your company must submit this information no later than February 10<sup>th</sup> of each year.

Please sign below to indicate that you have read and understood the above.

Chief Executive Officer of Applicant

4/20/2016 Date

#### RIVERHEAD INDUSTRIAL DEVELOPMENT AGENCY FEE SCHEDULE

A non-refundable application fee of \$2,000 for applications under \$5 million and \$4,000 for applications over \$5 million is required at the time of application. This fee will be credited to the Agency's Administrative Fee, payable at closing.

The Administrative Fee charged by the Agency at closing is as follows:

<sup>3</sup>/<sub>4</sub> of 1% of the financial assistance on the first \$10 million.

1/4 of 1% of the financial assistance between \$10 million and \$20 million.

1/10 of 1% of the financial assistance over \$20 million.

1% of the financial assistance for amended applications post initial financial approval.

#### Reporting/Compliance Fee:

State law requires that the Town of Riverhead Industrial Development Agency file certain financial and compliance reports with the State of New York. Much of the information within these reports is required to be furnished by your company and the IDA is obligated to meet a state submission deadline.

Annual Compliance Reporting fee for Lease Projects \$250 annually

Annual Compliance Reporting fee for Bond Projects \$300 annually

\*Compliance fees apply to each phase of a project which necessitates a separate NYS filing for reporting.

#### Late Reporting/Compliance Fee: commencing the day following report due date

State law requires that the Town of Riverhead Industrial Development Agency file an Annual Financial and Compliance Report with the State of New York. Much of the information within this report is required to be furnished by your company and the IDA is obligated to meet a state submission deadline. In order to meet this deadline, the Agency will impose a \$500 penalty for late filings (applied the day immediately following the due date) with an additional two hundred and a \$250 pro-rateable fee for every 30 days thereafter until the submission of the report or benefit recapture provision is implemented.

#### **Processing Fee:**

During the course of IDA ownership/involvement, the Agency may occasionally be required, by the company, to consent to a variety of items, i.e. prepayment of bonds, sales tax extension, etc. The Agency will charge a \$250 processing fee for each request.

#### Assignments & Assumptions:

Occasionally, the IDA is asked to transfer benefits that were assigned to the original company, i.e. PILOT or mortgage recording tax benefits, to a different company, typically upon the sale of the IDA property. The new company often wishes to continue IDA involvement to maintain the viability of the project and needs to retain the incentives. The Agency will charge a \$4000 fee for each of these transactions if requests are made prior to any transfer, otherwise the assignment/assumption will require a full administrative fee of ¾ of 1%.

#### Refinance Fee:

During the course of IDA ownership/involvement, the Agency may be required, by the company, to consent to a variety of simple refinancing mechanisms i.e. second mortgages, additional secured financing, refinancing, etc. The Agency will charge a \$2500 processing fee for each request and reserves the right to increase the fee to reflect the complexity of each transaction, but not to exceed the basic administrative application fee.

#### FEE SCHEDULE CONTINUED

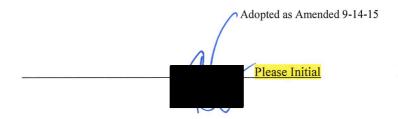

#### **Late PILOT Payment:**

In addition to requirements of GML 874(5), the Agency shall impose its own 5% penalty, plus \$1000 administrative fee for delinquent PILOT payments that are 5 days late.

#### **Re-Notification Fee**

Occasionally, an applicant will cause an adjournment of a public hearing. The IDA will charge a fee of \$100 per requested adjournment to re-notify and repost public notice.

• All Agency fees are non-refundable and are as amended from time to time.

#### RIVERHEAD INDUSTRIAL DEVELOPMENT AGENCY: LOCAL LABOR POLICY Adopted by Resolution #48-14

#### Purpose

The purpose of this resolution is to encourage companies receiving economic benefit and/or incentive from the Riverhead Industrial Development Agency (the "Agency) to engage local residents from the Town of Riverhead and the County of Suffolk during the construction phase of projects through the addition of an amendment to the Agency project application. All Agency projects are subject to monitoring by the Riverhead IDA.

#### Construction Jobs

Construction jobs, although limited in duration, are vital to the overall employment opportunities within the region since construction wages earned by local residents are reinvested in the local economy. It is hereby established to be the policy of the Agency that companies to which it has provided inducement use best efforts to employ local residents during the construction phase of projects. This will ensure that maximum public benefit is realized from Agency assistance.

#### Requirements of the Applicant

As a condition of receiving inducement and/or financial assistance from the Agency, the Company will agree to satisfy the following requirements, in form and substance satisfactory to the Agency.

The Company hereby represents and warrants that it will use commercially reasonable efforts to advertise, hire and cause any agent of the Company, general contractor, subcontractor, or subcontractor to a subcontractor working on the Project, to hire employees who live within Suffolk County, prioritizing Riverhead residents. The Agency understands and acknowledges that at certain times local labor may not be available.

Submit to the Agency a "Construction Completion Report" listing the names and business locations of prime contractors, subcontractors and vendors who have been engaged for the construction phase of the project by companies benefitting from the Agency programs. Said report shall identify the name, title, mailing address, phone/fax/email of the project contact person who will be responsible and accountable for providing information about the award of construction contracts relative to the project.

The Agency, may at any time during the benefit period, enhance the monitoring and reporting requirements relative to tracking and encouraging the use of local labor.

#### §859. Financial records

- 1. (a) Each agency shall maintain books and records in such form as may be prescribed by the state comptroller.
- (b) Within ninety days following the close of its fiscal year, each agency shall prepare a financial statement for that fiscal year in such form as may be prescribed by the state comptroller. Such statement shall be audited within such ninety day period by an independent certified public accountant in accordance with government accounting standards established by the United States general accounting office. The audited financial statement shall include supplemental schedules listing all bonds and notes issued, outstanding or retired during the applicable accounting period whether or not such bonds or notes are considered obligations of the agency. For each issue of bonds or notes such schedules shall provide the name of each project financed with proceeds of each issue, name and address of each owner of each project, the amount of tax exemptions granted for each project, purpose for which each bond or note was issued, date of issue, interest rate at issuance and if variable the range of interest rates applicable, maturity date, and federal tax status of each issue.
- (c) Within thirty days after completion, a copy of the audited financial statement shall be transmitted to the commissioner of the department of economic development, the state comptroller and the governing body of the municipality for whose benefit the agency was created.
- (d) An agency with no bonds or notes issued or outstanding and no projects during the applicable accounting period may apply to the state comptroller for a waiver of the required audited financial statement. Application shall be made on such form as the comptroller may prescribe.
- 2. On or before September first of each year, the commissioner of the department of economic development shall prepare and submit to the governor, speaker of the assembly, majority leader of the senate, and the state comptroller, a report setting forth a summary of the significant trends in agency operations and financing; departures from acceptable agency practices; a compilation by type of the bonds and notes outstanding, and any other information which in the opinion of the commissioner bears upon the discharge of the agency's statutory functions as defined in this chapter.
- §5 This act shall take effect immediately except that sections three and four of this act shall take effect of the first day of January next succeeding the date on which it shall have become a law.
