

*In the opinion of Bond Counsel, under existing law and assuming compliance with the tax covenants described herein and the accuracy of certain representations and certifications made by the Issuer and the Borrower and described herein, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to the exclusion of interest from gross income for any period during which such Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with proceeds of the Bonds or a "related person". Bond Counsel is further of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. Bond Counsel is further of the opinion that interest on the Bonds is exempt from personal income taxation imposed by the State of New York or any political subdivision of the State of New York. See "Tax Matters" herein regarding certain other tax considerations.*

Multifamily Tax-Exempt Bonds  
(Fannie Mae MBS-Secured) (SOCIAL<sup>†</sup>) Series 2023,  
(River Pointe Apartments Project)**

## INTRODUCTION

This Official Statement (which includes the cover page and appendices hereto) provides certain information in connection with the issuance and sale of the \$32,650,000 Multifamily Tax-Exempt Bonds (Fannie Mae MBS-Secured) (SOCIAL<sup>†</sup>) Series 2023, (River Pointe Apartments Project) (the “Bonds”) issued by Riverhead IDA Economic Job Development Corporation (the “Issuer”), a not-for-profit local development corporation duly organized and existing under the laws of the State of New York (the “State”). The Bonds will be issued pursuant to the provisions of Section 1411 of the New York Not-for-Profit Corporation Law (the “Act”), and that certain resolution adopted on November 13, 2023 (the “Resolution”) and secured by an Indenture of Trust, dated as of December 1, 2023 (the “Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, a national banking association, as trustee (the “Trustee”). Pursuant to the Indenture and the Financing Agreement, dated as of December 1, 2023 (the “Financing Agreement”), by and among the Issuer, the Trustee, and Riverhead Housing, L.P., a New York limited partnership (the “Borrower”), the Issuer is issuing the Bonds to provide financing for a certain multifamily rental housing development known as River Pointe Apartments (the “Project”) in Riverhead, New York and to facilitate the delivery of the MBS (as defined below) guaranteed by the Federal National Mortgage Association (“Fannie Mae”). With respect to the MBS, the Borrower expects the Project to meet the Social MBS criteria under the Fannie Mae Sustainable Framework, as hereinafter described. See “APPENDIX J — FANNIE MAE SUSTAINABLE FRAMEWORK” herein. **The Fannie Mae Sustainable Framework criteria is specific to the MBS securing the Bonds and not to the Bonds themselves.**

All capitalized terms used in this Official Statement that are defined in the Indenture shall have the respective meanings set forth in the Indenture. See “APPENDIX B – DEFINITIONS OF CERTAIN TERMS.”

The Issuer, the Borrower and Wells Fargo Bank, National Association (the “Underwriter”) have entered into a Bond Purchase Agreement (the “Bond Purchase Agreement”), pursuant to which the Issuer will agree to sell the Bonds to the Underwriter. The transaction entered into under the Bond Purchase Agreement will provide for the issuance and sale to the Underwriter of the Bonds in a specified principal amount, with a specified interest rate, on a specified date and at a specified price. The delivery of the Bonds is subject to the satisfaction of a number of conditions set forth in the Bond Purchase Agreement.

The Bonds will be issued to finance the Project through the purchase of a single mortgage pass-through certificate (the “MBS”) guaranteed as to principal and interest by Fannie Mae, if and when issued. The MBS will not be available for purchase on the date of issuance of the Bonds (the “Closing Date”) but is expected to be available for acquisition by the Trustee prior to the MBS Delivery Date Deadline. The MBS will be backed by a 17-year, fixed-rate mortgage loan (the “Mortgage Loan”) secured by a mortgage constituting a first lien on the Project. The Mortgage Loan will be made to the Borrower as mortgagor and owner of the Project on the Closing Date. See “THE MORTGAGE LOAN” herein and “APPENDIX A – FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM” attached hereto.

On the Closing Date, and prior to the date of delivery by Fannie Mae of the MBS (the “MBS Delivery Date”), the Bonds will be secured by (i) the proceeds of the Bonds equal to the principal amount thereof delivered to the Trustee and deposited into the Bond Proceeds Fund established under the Indenture and (ii) Eligible Funds, delivered

---

<sup>†</sup> The Bonds are captioned as “Social” based on the Borrower’s expectation of the Project meeting the Social criteria for MBS under the Fannie Mae Sustainable Framework and not any social standard established by the Issuer. See “APPENDIX J—FANNIE MAE SUSTAINABLE FRAMEWORK” herein. The Issuer has not determined that the Bonds themselves qualify for designation as Social and has not made an independent determination as to whether the Project qualifies as Social.

to the Trustee and deposited into the Negative Arbitrage Account of the Revenue Fund established under the Indenture, in an amount at least equal to the interest on the Bonds at the rates set forth on the inside cover page hereof from the Bond Dated Date to, but not including, the date that is five (5) calendar days after the MBS Delivery Date Deadline (collectively, the “Cash Collateral”). Prior to the MBS Delivery Date, the Bonds will be secured by, and the principal of, premium, if any, and interest thereon will be paid from amounts on deposit in the Revenue Fund and the Bond Proceeds Fund along with the investment earnings thereon. Following the MBS Delivery Date, the Bonds will be secured by, and the principal of and interest thereon will be paid from, payments made on the MBS. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

On the MBS Delivery Date, amounts on deposit in the Bond Proceeds Fund and the Revenue Fund will be used by the Trustee to purchase the MBS, which will then secure the payment of the Bonds. On or prior to the Closing Date, Fannie Mae will enter into a commitment with Wells Fargo Bank, National Association (the “Lender”), the Fannie Mae-approved lender of the Mortgage Loan, to deliver the MBS to the Trustee for purchase. The commitment to deliver the MBS is subject to the satisfaction of certain requirements and preconditions and does not extend to the benefit of any other third party, including the beneficial owners of the Bonds, the Issuer or the Trustee. No representations or assurances can be provided as to whether or not such conditions can or will be satisfied.

If the MBS is not delivered on or before the MBS Delivery Date Deadline (as defined herein), as such date may be extended pursuant to the terms of the Indenture, then funds then on deposit in the Bond Proceeds Fund and the Revenue Fund will be used to redeem the Bonds as set forth in the Indenture. The Bonds are also subject to mandatory redemption in whole or in part as further described herein. See “DESCRIPTION OF THE BONDS — Redemption of Bonds.”

The Bonds shall bear interest on the outstanding principal amount thereof at the interest rate(s) set forth on the inside cover page hereof. The MBS is expected to be delivered by the MBS Delivery Date, initially defined as January 30, 2024. Principal and interest on the Bonds will be payable semiannually on the 1<sup>st</sup> day of each February and August, or the next succeeding Business Day if such 1<sup>st</sup> day is not a Business Day, commencing August 1, 2024. Following delivery of the MBS, MBS payments will be made monthly, on the 25<sup>th</sup> of each month, or if not a Business Day, the following Business Day. Fannie Mae’s role with respect to the Bonds is limited to issuing and discharging its obligations under the MBS if and when delivered. Fannie Mae has no responsibility for the structuring and timing of Bond payments from MBS Revenues.

Principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds. The payment of interest on each Payment Date shall relate to the interest accrued during the preceding calendar month.

On or after the Closing Date, the Borrower, the Mortgage Lender and Fannie Mae, collectively, have the ability to increase the amount of debt on the Project to exceed the outstanding principal amount of the Series 2023 Bonds. Although such additional debt is not guaranteed to be either supportable by the Project or approved by the Mortgage Lender or Fannie Mae, any security instrument issued in connection therewith will not relate to or serve as additional security for the Series 2023 Bonds.

The Bonds are limited obligations of the Issuer, payable solely from and secured by the pledge pursuant to the Indenture of the Trust Estate, consisting of revenues from the MBS (the “MBS Revenues”) and other funds pledged therefor under the Indenture. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS.”

**THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NEITHER THE ISSUER, ANY OF ITS MEMBERS, THE STATE OF NEW YORK, SUFFOLK COUNTY, TOWN OF RIVERHEAD, NOR ANY POLITICAL SUBDIVISION THEREOF (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE) NOR ANY PUBLIC AGENCY SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH IN THE INDENTURE, AND NONE OF THE BONDS OR ANY OF THE ISSUER’S AGREEMENTS OR OBLIGATIONS SHALL BE**

**CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER.**

Descriptions, certain definitions and final terms of the Bonds, the Borrower, the Project, the Mortgage Loan and the MBS, are included herein. All summaries or descriptions herein of documents and agreements are qualified in their entirety by reference to such documents and agreements and all summaries herein of the Bonds are qualified in their entirety by reference to the Indenture and the provisions with respect thereto included in the aforesaid documents and agreements. Copies of the Indenture and the Financing Agreement are available for inspection at the office of the Trustee. The Borrower will provide certain information on an ongoing basis to the Municipal Securities Rulemaking Board (the “MSRB”). For a description of the Borrower’s undertaking with respect to ongoing disclosure, see “CONTINUING DISCLOSURE” herein.

**THE ISSUER**

*The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Borrower, the Underwriter, the Lender, Fannie Mae nor any of their respective counsel, members, officers or employees makes any representations as to the accuracy or sufficiency of such information.*

The Issuer was established as a not-for-profit local development corporation of the State pursuant to the purposes and powers contained within the Act, and pursuant to its certificate of incorporation filed on February 3, 2011, with the authority and power to own, lease and sell personal and real property for the purposes of, among other things, acquiring, constructing, reconstructing and equipping certain projects exclusively in furtherance of the charitable or public purposes of relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, instructing or training individuals to improve or develop their capabilities for such jobs, by encouraging the development of, or retention of, an industry in the community or area, and lessening the burdens of government and acting in the public interest and to issue its revenue bonds in furtherance of the foregoing. The Act further authorizes the Issuer to lease and sell any or all of its facilities, to issue bonds and to make loans for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of and interest on any such bonds so issued and any agreements made in connection therewith, to pledge the revenues and receipts from the lease or sale thereof to secure the payment of such bonds and interest thereon.

The sole member of the Issuer is the Town of Riverhead, New York (the “Town”), acting by and through its Town Council. The Issuer currently has five (5) directors. The persons currently serving as directors of the Issuer are as follows:

<b>Name</b>	<b>Position</b>
James Farley	Chairman
Lori Ann Pipczynski	Vice Chairwoman
Anthony Barresi	Secretary
Lee Mendelson	Treasurer
Doug Williams	Assistant Treasurer

The Bonds are special limited obligations of the Issuer payable solely from the payments made by the Borrower under the Financing Agreement, from the monies held by the Trustee under the Indenture, and the security provided by the Financing Agreement. The Issuer, its member and officers are not personally liable with respect to the Bonds. Accordingly, no financial information with respect to the Issuer or its members or officers has been included in this Official Statement.

The Issuer has no taxing power. The Bonds shall never constitute a debt of the State or the Town, and neither the faith and credit nor the taxing power of the State, the Town or any political subdivision thereof is pledged to the payment of the principal of or interest on the Bonds, and neither the State nor the Town shall be liable thereon nor shall the Bonds be payable out of any funds of the Issuer other than those duly pledged therefor pursuant to the Indenture.

The Issuer has not verified, reviewed or approved, and does not make any representations with respect to, the accuracy or completeness of any of the information set forth in this Official Statement, other than information set forth under “THE ISSUER” and “NO LITIGATION — The Issuer” herein.

## **DESCRIPTION OF THE BONDS**

### **General**

The Bonds will be issued in the denominations of \$5,000 or any integral multiple of \$1.00 in excess thereof. The Bonds are issuable only as fully registered bonds without coupons and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only. Purchasers will not receive bonds representing their interest in the Bonds purchased. See “APPENDIX F — BOOK-ENTRY SYSTEM.”

The Bonds will be dated December 14, 2023 and have maturity dates and payment dates as identified on the inside cover page hereof. The Bonds shall bear interest on the outstanding principal amount thereof at the interest rates set forth on the inside cover page hereof. Interest on the Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The payment of interest on each Payment Date shall relate to the interest accrued on the Bonds during the preceding six-month period; provided that the payment of interest on the Initial Payment Date shall relate to the interest accrued on the Bonds from the Closing Date to but not including such Initial Payment Date.

Interest on the Bonds will be payable on each Payment Date to the Bondholders of record as of the applicable Record Date.

All payments of interest with respect to the Bonds will be paid to the Bondholders by the Trustee from funds held in the Revenue Fund under the Indenture. All payments of principal and interest with respect to the Bonds will be paid to the Bondholders in proportion to the principal amount of each Bond owned by each such owner as set forth on the records of the Trustee as of the applicable Record Date.

The Bonds are captioned Social based on the expectation that the Project will meet the Social criteria for MBS under the Fannie Mae Sustainable Framework and not any social standard established by the Issuer. Fannie Mae, the Issuer and the Borrower have not determined that the Bonds themselves qualify for designation as “social”; such designation has been applied to the Bonds based on the expected designation of the Mortgage Loan and the MBS. See “APPENDIX J — FANNIE MAE SUSTAINABLE FRAMEWORK” herein. The Issuer has not made an independent determination as to whether the Project qualifies as social.

So long as Cede & Co. or another nominee designated by DTC is the registered owner of the Bonds, principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds. See “APPENDIX F — BOOK-ENTRY SYSTEM.” *So long as Cede & Co. is the registered owner of the Bonds, all references in this Official Statement to the owners or holders of the Bonds, means Cede & Co. and not the Beneficial Owners of the Bonds.*

### **Transfer of Bonds**

While DTC is securities depository for book-entry Bonds, the transfer of beneficial ownership of Bonds shall take place as described in “APPENDIX F — BOOK-ENTRY SYSTEM.” If DTC were to terminate its status as securities depository for the Bonds and, as a result, the Bonds were no longer book-entry securities, no transfer of a Bond will be made unless made upon the records of the Issuer kept for that purpose at the corporate trust office of the Trustee, by the registered owner of the Bond or by its attorney duly authorized in writing, upon surrender thereof

together with a written instrument of transfer satisfactory to the Trustee. Upon the transfer of any such Bond, the Issuer shall issue and the Trustee shall authenticate and deliver to and in the name of the transferee a new fully registered Bond, of the same series, aggregate principal amount, interest rate, maturity and other terms as the surrendered Bond.

At all times, the Issuer and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the records of the Issuer as the absolute owner of such Bond, whether such Bond shall be a book-entry security or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

## **Redemption of Bonds**

The Bonds are subject to mandatory redemption under the Indenture as set forth below. Any redemption in part shall be in Authorized Denominations and the Lender shall furnish the Trustee with a revised Mortgage Loan Amortization Schedule in connection with such redemption in part.

Optional Redemption. The Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to, but not including, the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to interest and premium, if any, from money on deposit in the Revenue Fund and other Eligible Funds.

**Mandatory Redemption Following the MBS Delivery Date.** In addition to the mandatory sinking fund redemption of the Term Bonds pursuant to the heading “Mandatory Sinking Fund Redemption” above, the Bonds are subject to mandatory redemption in whole or in part one Business Day after the date on which each principal payment or prepayment is received pursuant to the MBS, other than principal payments made pursuant to the Mortgage Loan Amortization Schedule, at a Redemption Price equal to the principal amount thereof, plus accrued interest to the redemption date. Prepayments of the Mortgage Loan during the Yield Maintenance Period of 144 months may be subject to prepayment premium. Following the Yield Maintenance Period, prepayments of the Mortgage Loan are subject to a 1% prepayment penalty for a period of 36 months. Thereafter, the Mortgage Loan is not subject to prepayment penalty.

**Selection of Bonds for Redemption.** If less than all of the Bonds are redeemed pursuant to a mandatory sinking fund redemption, Bonds shall be redeemed in accordance with the respective schedules set forth in the Indenture. In the event the Bonds are redeemed in part and not in whole other than in accordance with a mandatory sinking fund redemption, the Bonds to be redeemed shall be selected by lot and the scheduled mandatory redemption requirements for each maturity described in the Indenture shall be adjusted so that the resulting debt service on the Bonds (including scheduled mandatory redemption payments) during each six-month period commencing on each Payment Date without exceeding the amount available from MBS payments and other available funds under the Indenture that may be used to pay debt service on the Bonds, is proportional, as nearly as practicable, to the payments on the MBS during each such six-month period. All Bonds to be redeemed within the same maturity shall be selected randomly by lot.

Except as otherwise described in the preceding paragraph, any Bonds to be called for redemption shall be selected by the Trustee by lot, such selection to be made prior to the date on which notice of such redemption must be given and Bonds shall be redeemed as soon as practicable after an event causing a redemption shall have occurred. The Trustee shall have no liability for such selections made without gross negligence or willful misconduct.

If it is determined that less than all of the principal amount represented by any Bond is to be called for redemption, then, following notice of intention to redeem such principal amount, the holder thereof shall surrender such Bond to the Trustee on or before the applicable redemption date for (a) payment on the redemption date to such Bondholder of the Redemption Price of the amount called for redemption and (b) delivery to such Bondholder of a new Bond or Bonds of such Series in an aggregate principal amount equal to the unredeemed balance of such Bond. A new Bond representing the unredeemed balance of such Bond shall be issued to the registered owner thereof, without charge therefor. If the registered owner of any Bond selected for redemption shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the amount called for redemption (and to that extent only).

See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE – Redemption of Bonds” attached hereto.

\* Final maturity.

## **Extension of MBS Delivery Date Deadline**

At any time prior to the MBS Delivery Date Deadline, the Borrower may extend the MBS Delivery Date Deadline by (i) providing to the Trustee, the Lender, the Issuer, the Rating Agency and the Underwriter written notice of any extension of the MBS Delivery Date Deadline, and (ii) depositing Eligible Funds for the credit of the Negative Arbitrage Account of the Revenue Fund in an amount, taking into account amounts already on deposit therein, sufficient to pay interest due on the Bonds to the date that is five (5) calendar days after the extended MBS Delivery Date Deadline (the “Extension Deposit”). Extension Deposits may continue to be made by or on behalf of the Borrower until the MBS Delivery Date occurs or the Borrower declines to make an Extension Deposit resulting in the mandatory redemption pursuant to the Indenture; provided, however, the MBS Delivery Date Deadline may not be extended to a date that is later than the third anniversary of the Bond Dated Date unless, prior to any extension beyond such date, there shall be filed with the Trustee and the Issuer an opinion of Bond Counsel to the effect that such extension will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. The cost of such opinion shall be the sole responsibility of the Borrower. See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE – Extension of MBS Delivery Date Deadline” attached hereto.

## **THE MORTGAGE LOAN**

### **General**

The Indenture authorizes the Issuer to issue the Bonds to finance a portion of the cost of the acquisition, rehabilitation and equipping of the Project through the acquisition of the MBS and to pay certain additional costs related thereto. The Bonds will be secured initially by the Cash Collateral, and then by the MBS, if issued. Fannie Mae is expected to deliver the MBS to the Trustee on the MBS Delivery Date to be purchased by the Trustee with the Cash Collateral on deposit under the Indenture. The Lender has undertaken to certify that the MBS meets the requirements set forth in the Indenture, on which certification the Trustee may rely and act without further investigation. The Mortgage Loan is to be evidenced by the Mortgage Note, executed by the Borrower in favor of the Lender and secured by the Multifamily Deed to Secure Debt, Assignment of Leases and Rents, Security Agreement and Fixture Filing (the “Mortgage”). The Borrower is required under the Mortgage Note to make monthly payments sufficient in the aggregate to pay debt service on the Mortgage Loan.

### **MBS Payments**

Following the MBS Delivery Date, if such date occurs, payments on the MBS will be made on the 25<sup>th</sup> day of each month (beginning with the month following the month in which the MBS is issued and delivered to the Trustee), or, if such 25<sup>th</sup> day is not a Business Day, on the first Business Day next succeeding such 25<sup>th</sup> day. With respect to the MBS, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loan underlying the MBS during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of the Mortgage Loan that was prepaid in full during the calendar month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae’s election the Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest; or because of Fannie Mae’s election to repurchase the Mortgage Loan under certain other circumstances), (iii) the amount of any partial prepayment of the Mortgage Loan received in the calendar month next preceding the month of distribution, and (iv) one month’s interest at the MBS interest rate on the principal balance of the MBS as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the MBS on its issue date).

For purposes of distribution, the Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae’s reasonable judgment, the full amount finally recoverable on account of the Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. See also “APPENDIX A – FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM.”

## FANNIE MAE

The MBS, if issued by Fannie Mae and acquired by the Trustee as described herein, will be an obligation of Fannie Mae. **The securities of Fannie Mae, including the MBS, if issued, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.**

Information on Fannie Mae and its financial condition are contained in periodic reports that are filed with the Securities and Exchange Commission (the “SEC”). Fannie Mae’s SEC filings are available at the SEC’s website at [www.sec.gov](http://www.sec.gov) and are also available on Fannie Mae’s website at <http://www.fanniemae.com> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

### SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS

In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, the Issuer has pledged to the Trustee the Trust Estate for the Bonds, subject to terms and provisions of the Indenture, the following:

- (i) All right, title and interest of the Issuer in and to (a) amounts on deposit in the Bond Proceeds Fund, to be funded on the Closing Date in an amount equal to the principal amount of the Bonds, and (b) Eligible Funds on deposit in the Revenue Fund (including but not limited to the Negative Arbitrage Account thereof);
- (ii) (a) 100% of the beneficial ownership interest in the MBS, if the MBS is issued by Fannie Mae and acquired by the Trustee, and (b) all MBS Revenues;
- (iii) All right, title and interest of the Issuer now owned or hereafter acquired in, to and under the Financing Agreement (except Reserved Rights) and the Regulatory Agreement; and;
- (iv) All other funds, accounts and property which by the express provisions of the Indenture is required to be subject to the lien of the Indenture, and any additional property that from time to time, by delivery or by writing of any kind, may be subjected to the lien of the Indenture, by the Issuer or by anyone on its behalf, and the Trustee is authorized by the Indenture to receive the same at any time as additional security under the Indenture; provided, however, that the Trust Estate shall not include amounts on deposit in the Rebate Fund or the Rehabilitation Fund.

The foregoing pledge is made for the equal and proportionate benefit, security and protection of all present and future owners of the Bonds, without preference, priority or distinction as to lien, or otherwise of any one Bond over any other Bond by reason of priority in the issue, sale or negotiation thereof, or of any other cause, and for the benefit of Fannie Mae as provided in the Indenture.

Prior to the delivery of the MBS, the Bonds will be secured by the deposit with the Trustee of the proceeds received from the sale of the Bonds and other Eligible Funds held under the Indenture by the Trustee in an aggregate amount equal to the outstanding principal amount of the Bonds. The Trustee will use Eligible Funds held under the Indenture along with interest earnings thereon to (a) pay principal, premium, if any, and interest on the Bonds when due, and (b) acquire, if and when issued, the MBS, upon satisfaction of the conditions set forth in the Indenture and upon satisfaction of the conditions precedent to the issuance of the MBS and compliance with the commitment between Fannie Mae and the Lender.

It is anticipated that if the conditions to the issuance of the MBS are satisfied, the MBS will be available for acquisition by the Trustee on or before the MBS Delivery Date Deadline, as such date may be extended as provided in the Indenture. Following the delivery of the MBS to the Trustee, if delivered, payments of principal and interest on the Bonds will be payable from principal and interest payments received by the Trustee on the MBS, as provided in the Indenture.

If the MBS is not acquired by the Trustee prior to the MBS Delivery Date Deadline (as such date may be extended pursuant to the Indenture), the Bonds will be redeemed from Eligible Funds held under the Indenture as set

forth in “DESCRIPTION OF THE BONDS — Redemption of Bonds — Mandatory Redemption Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline” hereto.

### **Fannie Mae Sustainable Framework**

The Borrower expects the Project to meet the Social MBS criteria under the Fannie Mae Sustainable Framework (as described in “APPENDIX J — FANNIE MAE SUSTAINABLE FRAMEWORK”) (the “**Framework**”), because at least 40% of all units have rent or income restrictions in place making them affordable to households earning no more than 60% of AMI as adjusted for family size, thereby qualifying the Project as “Restricted Affordable Housing” under the applicable Fannie Mae Social criteria under the Framework. If such Social criteria are met, the Project would meet the Social criteria for MBS under the Fannie Mae Sustainable Framework. Based on the plans for the construction of the Project, as of the date of this Official Statement, the Borrower believes that such requirements will be achieved, but no assurances can be made with respect to whether such requirements will in fact be satisfied once construction has been completed. See “CERTAIN BONDHOLDERS’ RISKS— Fannie Mae Sustainable Framework May Not Align with Investor Criteria” herein. The Fannie Mae Sustainable Framework criteria is specific to the MBS securing the Bonds and not to the Bonds themselves.

Related owns and operates a portfolio of approximately 55,000 affordable and workforce housing units.

#### **The Developer**

Riverhead Housing Developer, LLC, a New York limited liability company (the “Developer”) will act as the Developer for the rehabilitation of the Project in accordance with a development agreement with the Borrower

whereby the Developer will be responsible for certain development services in connection with the Project and for which the Developer will receive a development fee from the Borrower. The Developer is an affiliate of Related. Affiliates of the Developer have significant experience in the rehabilitation of multifamily affordable rental housing.

### **Investor Limited Partner**

Simultaneous with the issuance of the Bonds, the Borrower expects to admit Wells Fargo Community Investment Holdings, LLC, a Delaware limited liability company, as an investor limited partner (the “Investor Limited Partner”) to the Borrower with a 99.99% ownership interest in the Borrower in exchange for equity contributions based primarily on the receipt of certain benefits from the Project’s federal low-income housing tax credits. The arrangements for the funding of the LIHTC equity are expected to be in the total amount set forth under “THE PROJECT — Plan of Financing” herein and paid in stages during and after rehabilitation of the Project.

### **Limited Assets and Obligation of Borrower, General Partner, Class B Limited Partner and Investor Limited Partner**

The Borrower, the General Partner and the Class B Limited Partner have not previously engaged in other business operations, have no historical earnings and have no substantial assets other than the Project and do not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Project. However, the member of the General Partner, the members of the Class B Limited Partner, the Investor Limited Partner, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, partners or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The Borrower and its partners will not be personally liable for payments on the Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

### **The Architect**

The architect is R.S. Granoff Architects, P.C. (the “Architect”). The Architect is not an affiliate of the Developer or the Borrower. The architect started in 1989 and demonstrates considerable affordable, LIHTC, HUD and multifamily housing experience. The Architect has designed the new construction or renovation of many rehabilitation, civic and commercial projects, including affordable multifamily housing. The Architect has completed a number of successful renovation projects with Related of similar scope and scale.

### **The General Contractor**

The general contractor for the project is Hernandez Construction Services, Inc. (the “General Contractor”). The General Contractor is not an affiliate of the Developer. Based out of Akron, Ohio, the General Contractor was formed in 2005 and holds licenses in more than 10 states. The General Contractor has previously completed projects in Suffolk County where the Project is located. Since inception, the General Contractor has built or rehabilitated over 13,000 units of multifamily housing inclusive of affordable apartments.

### **The Property Manager**

Related Management Company, L.P., a New York limited partnership (the “Property Manager”), currently manages and will continue to manage the Project following the acquisition and construction of the Project by the Borrower. The Property Manager is an affiliate of Related. The Property Manager presently manages more than 450 apartment complexes with approximately 69,000 housing units across multiple states including New York. More than 90% of the apartment complexes provide at least one affordable housing program resource. The Property Manager

has almost 50 years of experience managing affordable housing supported by various federal, state and local subsidies including HUD, tax-exempt obligations and federal low-income housing tax credits.

## THE PROJECT

*The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.*

The Project, known as River Pointe Apartments, is located in Riverhead, New York, on an approximately 6.7-acre site. The Project contains 135 apartment units (inclusive of one building worker unit) located in nine buildings with community space. Rehabilitation of the Project is anticipated to commence in December 2023 and be completed approximately 12 months later.

Common area improvements will include: management offices, resident lounge, office equipment for tenant use and meeting rooms. Site amenities include: playground areas for various ages of children and families, a community garden and walking paths to encourage outdoor physical activity. There are 155 parking spaces for resident and visitor use.

The unit mix of the Project is as follows:

<u>Unit Type</u>	<u>Number</u>	<u>Approximate Square Feet</u>
1 BD	33	597
2 BD	92 <sup>†</sup>	796
3 BD	10	995
<b>Total</b>	<b>135</b>	

[Remainder of page intentionally left blank]

Equity Syndication Costs	<u>101,135</u>
<b>Total</b>	<b><u>\$59,553,049</u></b>

All costs of issuing the Bonds, including the Underwriter's fee, will be paid by the Borrower.

*The Mortgage Loan and the Bonds.* The Project will utilize a mortgage loan (the "Mortgage Loan") from Wells Fargo Bank, National Association (the "Lender"), in the principal amount of \$32,650,000. The obligation to repay the Mortgage Loan will be set forth in a promissory note (the "Mortgage Note") from the Borrower to the Lender, which Mortgage Note will have a term of not less than 204 months, will bear interest at a rate of 5.24% and will amortize over 35 years. The principal amount of the Bonds will be equal to the principal amount of the Mortgage Loan. Following the MBS Delivery Date, payments on the Bonds will be payable by the Trustee on a semiannual basis from payments received by the Trustee pursuant to the MBS.

*The Tax Credit Equity.* Simultaneously with the issuance of the Bonds, the Borrower expects to offer the Investor Limited Partner a 99.99% ownership interest in the Borrower in exchange for equity contributions based primarily on the receipt of certain benefits from the Project's LIHTC. The funding of the Tax Credit Equity will total approximately \$21,174,649 with an initial contribution of approximately \$9,528,952. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

*Income from Operations during Construction.* The Project will also utilize as a source of funding a portion of the income generated and available from operations during the construction period in the amount of \$2,213,057.

*Deferred Developer Fee.* The Project is also utilize deferred developer fee in the anticipated amount of \$3,515,343 as a source of funding. The deferred developer fee will be paid by the Borrower to the Developer from surplus cash flow received through the operation of the Project.

## The HAP Contract

The Borrower has an existing Housing Assistance Payment Contract (the "HAP Contract") covering 134 of the 135 units at the Project that was renewed on December 28, 2019, for a term of five years. The existing HAP Contract will be renewed for an additional 20-year term in order to service debt during the term of the Mortgage Loan.

Funding under the HAP Contract is subject to annual Congressional appropriations, as more particularly described below. The Section 8 project-based housing assistance payment program (the “Section 8 Program”) is authorized by Section 8 of the United States Housing Act of 1937, as amended. Renewals of Section 8 HAP contracts are governed by the Multifamily Housing Reform and Affordability Act, as amended (“MAHRA”). The Section 8 Program authorizes housing assistance payments to owners of qualified housing for the benefit of low-income families (defined generally as families whose incomes do not exceed 80% of the area median income (“AMI”) for the area as determined by HUD), and very low-income families (defined generally as families whose income do not exceed 50% of the AMI as determined by HUD). Section 8 housing assistance payments generally represent the difference between the “contract rent” for the unit approved by HUD and the eligible tenant’s contribution, which is generally 30% of income, as adjusted for family size and certain expenses, subject to a minimum rent contribution. The rents approved by HUD for the HAP Contract, as they may be adjusted from time to time with procedures set forth in MAHRA, HUD Regulations, administrative guidance governing the Section 8 Program and the HAP Contract, are the “contract rents” for the units benefiting from the HAP Contract. The HAP Contract will require the Borrower to maintain the Project in decent, safe and sanitary condition and to comply with other statutory and regulatory requirements governing the operation of the Project, use of project funds, and other matters. If the Borrower fails to comply with the terms of the HAP Contract, HUD or the contract administrator could seek to abate or terminate the payments under the HAP Contract, or take other sanctions. MAHRA requires that upon the request of the Borrower, HUD shall renew the HAP Contract under the Section 8 Program. However, because the HAP Contract is subject to receipt of annual appropriations by Congress, there is no assurance that the HAP Contract will be renewed or replaced upon its expiration. Funding for HAP contracts is appropriated by Congress on an annual basis, and there is no assurance that adequate funding will be appropriated each year during the term of the HAP Contract. Since payments received under the HAP Contract constitute a primary source of revenues for the Project, the expiration of the HAP Contract, or the failure of Congress to appropriate funds sufficient to fund the HAP Contract during each year of its term, would have a material adverse effect on the ability of the Project to generate revenues sufficient to pay the principal of and interest of the Loan.

## **Project Regulation**

In order to obtain low income housing tax credits, the Project will be operated as a qualified residential rental project with 100% of the residential units in the Project occupied by Qualified Tenants during the Qualified Project Period, in accordance with Section 142(d) of the Code. See “APPENDIX E – SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Regulatory Agreement (defined below), the Project will be further encumbered by a tax credit restrictive covenant, to be executed by the Borrower in connection with the low-income housing tax credits (the “LIHTCs”) anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the residential units in the Project (the “Tax Credit Units”). At least 54 (40%) of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 60% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be restricted to not more than 30% of 60% of AMI, adjusted for family size.

In connection with the HAP Contract, the Borrower will enter into a new Section 8 Use Agreement that encumbers the Project and will require the Borrower to maintain the Project as affordable housing for low-income families for a period of twenty (20) years in accordance with the Section 8 Program. Additional restrictions are imposed on the operation of the Project pursuant to the HAP Contract. See “The HAP Contract” above.

The Borrower will be subject to an existing Tax Regulatory Agreement (“Original Tax Regulatory Agreement”) related to the previous financing of the Project in 2005. The Original Tax Regulatory Agreement provides that 40% of the units in the Project be reserved for tenants whose income does not exceed 60% of AMI, adjusted for family size (“Original Tax Regulatory Requirements”). The Original Tax Regulatory Requirements will remain as long as the Project benefits from Section 8 rental assistance.

The Borrower will also be subject to an existing Low-Income Housing Credit Regulatory Agreement (“Original LIHC Regulatory Agreement”) which provides for 133 of the 135 units to be reserved for tenants whose income does not exceed 60% of AMI, adjusted for family size (“Original LIHC Regulatory Requirements”). The Original LIHC Regulatory Requirements will remain until December 31, 2036.

## **LEASING AGREEMENTS AND PILOT**

On the date of issuance of the Bonds, the Borrower will lease the Project to the Town of Riverhead Industrial Development Agency (the “IDA”) who will immediately lease the Project back to the Borrower pursuant to a Lease and Project Agreement between the IDA and the Borrower dated as of December 1, 2023 (the “Leaseback Agreement”). Pursuant to the Leaseback Agreement the Project will be exempted from most real property taxes and instead the Borrower will make Payments in Lieu of Taxes (“PILOT Payments”) for thirty (30) years commencing in the 2024/2025 tax year. Failure of the Borrower to abide by the provisions of the Leaseback Agreement could result in the recapture of the amount of real property tax savings achieved by the PILOT Payments.

## **CERTAIN BONDHOLDERS’ RISKS**

*The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.*

### **Limited Security; Investment of Funds**

The Bonds are special limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts pledged to and held by the Trustee under the Indenture, together with investment earnings thereon, and the MBS, and are not offered on the basis of the credit of the Borrower, the feasibility of the Project or any other security. As a consequence, limited information about the Project and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture, together with investment earnings thereon, and not on the credit of the Borrower, the feasibility of the Project or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture, and, following the MBS Delivery Date, from payments on the MBS. On the date of delivery of the Bonds, an amount equal to the principal amount of the Bonds is to be deposited into the Bond Proceeds Fund. The Trustee is required to invest amounts held in the Bond Proceeds Fund and the Revenue Fund in Eligible Investments, as defined in the Indenture. See “APPENDIX C — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Funds.” Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

### **No Acceleration or Early Redemption Upon Loss of Tax Exemption on the Bonds**

The Borrower will covenant and agree, pursuant to the Regulatory Agreement to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. In particular, the Borrower is required to rent at least forty percent (40%) of the Project apartment units to certain qualified tenants whose income does not exceed sixty percent (60%) of the area average median income where the Project is located. The Borrower’s failure to comply with such provisions will not constitute a default under the Bonds and will not give rise to a redemption or acceleration of the Bonds and is not the basis for an increase in the rate of interest payable on the Bonds. Furthermore, the Borrower’s failure to comply with the Regulatory Agreement will not give rise to a prepayment or acceleration of amounts due under the MBS or the Mortgage, unless directed by Fannie Mae in its sole discretion. Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Bonds by reason of the Borrower’s failure to comply with the requirements of federal tax law.

### **Payments Prior to MBS Delivery Date**

Prior to the MBS Delivery Date, payment of principal and interest, and the Borrower's obligations with respect to principal and interest on the Bonds, will be primarily secured by and payable from Bond proceeds held in the Bond Proceeds Fund and moneys deposited into the Revenue Fund, including the Negative Arbitrage Account therein. It is not expected, prior to the MBS Delivery Date, that any revenues from the Project or other amounts, except moneys on deposit in the Bond Proceeds Fund and the Revenue Fund, will be available to satisfy that obligation. Prior to the MBS Delivery Date, moneys on deposit in the Bond Proceeds Fund and the Negative Arbitrage Account of the Revenue Fund, and the interest earnings thereon, will be sufficient to pay the debt service on the Bonds.

### **Redemption of Bonds Prior to Maturity**

Pursuant to the Indenture, under certain circumstances, the Bonds may be subject to redemption prior to maturity. See "DESCRIPTION OF THE BONDS – Redemption of Bonds" herein and Appendix C hereto.

### **Eligible Investments**

Proceeds of the Bonds deposited into the Bond Proceeds Fund are required to be invested in Eligible Investments. See "APPENDIX B – DEFINITIONS OF CERTAIN TERMS" hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Bond Proceeds Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

### **Rating**

Prior to the MBS Delivery Date, the rating on the Bonds is based on the investment in Eligible Investments of amounts on deposit in the Bond Proceeds Fund and the Revenue Fund. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds. Following the MBS Delivery Date, the rating on the Bonds is based on the credit rating of Fannie Mae. If any event occurs that causes an adverse change to the credit rating of Fannie Mae, such a change may result in a downgrade or withdrawal of the rating on the Bonds.

### **Repayment of Mortgage Loan**

The ability of the Borrower to pay the Mortgage Loan is dependent on the revenues derived from the Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Project will be sufficient to pay expenses of the Project, including without limitation, debt service on the Mortgage Loan, operating expenses, servicing fees, fees due to Fannie Mae, Trustee fees, and fees owed to the Issuer. The ability of the Project to generate sufficient revenues may be affected by a variety of factors including, but not limited to, completion of repairs to such Project, the maintenance of a sufficient level of occupancy, the ability to achieve increases in rents, the level of operating expenses, project management, adverse changes in applicable laws and regulations, general economic conditions and other factors in the surrounding market area for the Project. The Borrower intends to rent all of the units in the Project to persons or families of moderate and low income and the amount of rent that may be charged for such units may be materially less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Project.

Failure of the Borrower to make payments when due under the Mortgage Loan will result in an event of default under the Mortgage Loan and the Financing Agreement and may result in a mandatory prepayment of all or a portion of the Bonds. The Mortgage Loan will not be accelerated unless directed by Fannie Mae in its sole discretion in which case the Bonds will remain outstanding and will remain secured by the MBS guaranteed as to timely payment of principal and interest by Fannie Mae. See "SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS" herein. If Fannie Mae accelerates the Mortgage Loan as a result of any event of default under the Mortgage Loan, the Mortgage Loan will be paid in full, and the stated principal balance of the MBS will be passed through to the holder of the MBS. In this case, no yield maintenance or other prepayment premiums will be payable to the Trustee as holder of the MBS.

The Mortgage Loan is a non-recourse obligation of the Borrower with respect to which neither the Borrower nor its partners have personal liability and as to which the Borrower and its partners have not pledged for the benefit of the Lender any of their respective assets, other than the Project and its rents, profits and proceeds.

### **Payments on the Bonds Made From Payments Received on MBS**

As described elsewhere herein, following the MBS Delivery Date, principal and interest on the Bonds will be paid to registered owners thereof from principal and interest payments received by the Trustee pursuant to the MBS. Although interest accrues on the MBS during a calendar month, the Trustee will not receive such payment on the MBS until the 25<sup>th</sup> day in the following calendar month, or the next succeeding Business Day if such day is not a Business Day.

### **MBS Certificate**

If the MBS is issued by Fannie Mae and acquired by the Trustee as collateral for the Bonds, Fannie Mae's obligations will be solely as provided in the MBS and in the Fannie Mae MBS Prospectus and the related form of Prospectus Supplement for MBS Certificate. The obligations of Fannie Mae under the MBS will be obligations solely of Fannie Mae, a federally chartered corporation, and will not be backed by the full faith and credit of the United States of America. The Bonds are not and will not be a debt of the United States of America or any other agency or instrumentality of the United States of America or of Fannie Mae. The Bonds are not and will not be guaranteed by the full faith and credit of Fannie Mae or the United States of America.

It is possible, in the event of the insolvency of Fannie Mae, or the occurrence of some other event precluding Fannie Mae from honoring its obligations to make payments as stated in the MBS, if issued, that the financial resources of the Borrower will be the only source of payment on the Bonds. There can be no assurance that the financial resources of the Borrower will be sufficient to pay the principal of, premium if any, and interest on the Bonds in the event the Trustee is forced to seek recourse against the Borrower. See "SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS" herein.

### **Performance of the Project and Estimated Rental Revenue Vacancies**

The economic feasibility of the Project depends in large part upon the Project's being substantially occupied at rentals adequate to maintain substantial occupancy throughout the term of the Bonds at sufficient rents and to cover all operating expenses of the Project and debt service on the Mortgage Loan. Although representatives of the Borrower believe, based on surveys of the area where the Project is located, that a substantial number of persons currently need housing facilities such as the Project, occupancy of the Project may be affected by competition from existing housing facilities or from housing facilities which may be constructed in the area served by the Project. While the Borrower believes the Project is needed, there may be difficulties in keeping it substantially occupied. Furthermore, no assurance can be given that the low-income tenants are able to afford the rental rates of the Project, notwithstanding the below-market rental rates. Restrictions imposed under the Code on tenant income and the rent that can be charged could have an adverse effect on the Borrower's ability to satisfy its obligations under the Financing Agreement, especially if operating expenses should increase beyond what was anticipated.

### **Limited Liability of Issuer**

Notwithstanding anything in the Indenture or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Trust Estate, consisting of MBS Revenues and other assets pledged under the Indenture for any of the purposes of the Indenture.

No agreements or provisions contained in the Indenture, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except from the application of the Trust Estate, consisting of MBS Revenues and other proceeds pledged to the payment of the Bonds and the proceeds of the Bonds. No failure of the Issuer to comply with any term, condition, covenant or agreement in the Indenture or in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Issuer to

liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same can be paid or recovered from the Financing Agreement or the Trust Estate, consisting of MBS Revenues and other assets pledged to the payment of the Bonds or the proceeds of the Bonds. THE ISSUER HAS NO TAXING POWER.

### **Secondary Markets and Prices**

No representation is made concerning the existence of any secondary market for the Bonds. The Underwriter will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

### **Future Legislation; IRS Examination**

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations will not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (the “IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

### **Potential Impact of Pandemics or Public Health Crises**

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project’s operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction and/or rehabilitation of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower’s ability to make payments on the loans and result in a default and acceleration thereof.

### **Limitation of Remedies**

Remedies available under the Indenture, the Financing Agreement, and the Regulatory Agreement are limited in certain respects. See “ENFORCEABILITY OF REMEDIES” herein.

### **Fannie Mae Sustainable Framework May Not Align with Investor Criteria**

Although, if originated as of the date hereof, the mortgage loan backing the MBS would be expected to qualify as Social under the Fannie Mae Sustainable Framework for multifamily mortgage loans, the criteria may be modified, inapplicable or entirely eliminated at the time the mortgage loan backing the MBS is originated and may not currently, or at the time of the origination of the mortgage loan, align with the investment criteria of investors in the Bonds. See “APPENDIX J — FANNIE MAE SUSTAINABLE FRAMEWORK.” Fannie Mae has not determined that the Bonds themselves qualify for designation as “social,” “green,” or “sustainable;” such designation has been applied to the Bonds based on the designation of the mortgage loan and the MBS. There can be no assurance that

such qualification will satisfy the investment criteria or guidelines applicable to any particular investor or its investments, including with regard to social, green, sustainability or similar impacts, requirements or criteria. The Issuer has not applied for designation or self-designated the Bonds as “social,” “green,” or “sustainable.”

Investors should bear in mind that there currently is no widely accepted legal, regulatory or other definition to be applied in determining what qualifies as a “social,” “green,” “sustainable” or similarly-labeled project or investment, and no market consensus on the precise attributes required for any such determination. No assurance can be given that such a clear definition will develop over time, or that, if developed, it will include the Project or the Mortgage Loan. Accordingly, there can be no assurance that the underlying MBS will meet or satisfy investor expectations, requirements or objectives for “social,” “green,” “sustainable” or similar projects or investments, or that adverse environmental, social or other impacts will not arise in connection with the Mortgage Loan. The foregoing considerations may adversely affect the market value or liquidity of the Bonds.

**The Fannie Mae Sustainable Framework criteria is specific to the MBS securing the Bonds and not to the Bonds themselves.**

### **Project May Not Qualify for Fannie Mae Sustainable Framework Criteria Upon Completion**

The Borrower has demonstrated the capacity to obtain the Social qualification through its experience, plans and actions and, upon Project completion, expects to obtain the certifications necessary for the Mortgage Loan and the MBS to qualify as Social under the Fannie Mae Sustainable Framework. However, there can be no assurance that the Borrower will in fact obtain such certifications or that, upon completion, the Project will meet the Social criteria for MBS under the Fannie Mae Sustainable Framework.

### **Summary**

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

## **TAX MATTERS**

### **Federal Income Taxes**

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met subsequent to the issuance and delivery of the Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Bonds. The Issuer and the Borrower have covenanted in (a) the Indenture, (b) the Financing Agreement, and (c) the Certificate as to Arbitrage, the Multifamily Tax Certification and the Regulatory Agreement (the “Tax Documents”) to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Issuer and the Borrower have made certain representations and certifications in the Indenture, the Financing Agreement and the Tax Documents. Bond Counsel will not independently verify the accuracy of those certifications and representations.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenant and the accuracy of the aforementioned representations and certifications, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code, except that no opinion is expressed as to the exclusion of interest from gross income for any period during which such Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with proceeds of the Bonds or a “related person”. Bond Counsel is further of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. For taxable years beginning after December 31, 2022, interest on the Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the “adjusted financial statement income” of such corporations.

## **State Taxes**

Bond Counsel is also of the opinion that, under existing law, interest on the Bonds is exempt from personal income taxation imposed by the State of New York or any political subdivision of the State of New York, assuming compliance with tax covenants and the accuracy of the representations and certifications described under the heading “Federal Income Taxes” above. Bond Counsel expresses no opinion as to other State of New York or local tax consequences arising with respect to the Bonds nor as to the taxability of the Bonds or the income therefrom under the laws of any state other than the State of New York.

## **Ancillary Tax Matters**

Ownership of the Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Bonds is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. In addition, interest on the Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinion attached as Appendix I. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

## **Changes in Law and Post Issuance Events**

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Bonds for federal or state income tax purposes, and thus on the value or marketability of the Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Bonds from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Bonds may occur. Prospective purchasers of the Bonds should consult their own tax advisors regarding the impact of any change in law on the Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Bonds may affect the tax status of interest on the Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Bonds, or the interest thereon, if any action is taken with respect to the Bonds or the proceeds thereof upon the advice or approval of other counsel.

## **NO LITIGATION**

## **The Issuer**

The Issuer knows of no pending or threatened litigation questioning or affecting the validity of the Bonds or the proceedings or authority under which the Bonds were issued. Neither the creation, organization or existence of the Issuer nor the title of any of the present members or other officers of the Issuer to their respective offices is being contested to the knowledge of the Issuer. The Issuer knows of no litigation pending or threatened which in any manner questions the right of the Issuer to execute and deliver the Indenture or the Financing Agreement.

## **The Borrower**

There is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending or, to the best knowledge of the Borrower, threatened in writing against or affecting the Borrower or any general partner of the Borrower, in their respective capacities as such, nor, to the knowledge of the Borrower, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of the Official Statement in the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Indenture or (ii) which would in any way contest or affect the organization or existence of the Borrower or the entitlement of any officer of the Borrower to its position or (iii) which would contest or have a material and adverse effect upon (A) the due performance by the Borrower of the transactions contemplated by the Official Statement, (B) the validity or enforceability of the Bonds or any other agreement or instrument to which the Borrower is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrower, (iv) which contests in any way the completeness or accuracy of the Official Statement or (v) which questions the power or authority of the Borrower to carry out the transactions on its part contemplated by the Official Statement, or the power of the Borrower to own or operate the Project. The Borrower is not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that would have such an effect.

## **CERTAIN LEGAL MATTERS**

The validity of the Bonds and certain other legal matters are subject to an approving opinion of Nixon Peabody LLP, Rochester, New York, Bond counsel to the Issuer. A complete copy of the proposed form of Bond Counsel opinion is contained in Appendix I hereto. Certain legal matters will be passed upon for the Borrower by its counsel, Levitt & Boccio, LLP, New York, New York, for the Issuer by its counsel, Nixon Peabody LLP, Rochester, New York, and for the Underwriter by its counsel, Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

## **UNDERWRITING**

Wells Fargo Bank, National Association (the “Underwriter”), a “participating underwriter” as defined in 15c2-12 and an “underwriter” as defined in Section 2(a)(11) of the Securities Act of 1933, as amended, has entered into the Bond Purchase Agreement to purchase all of the Bonds, if any of the Bonds are to be purchased, at the price set forth on the inside cover page hereof. The Bond Purchase Agreement provides that, as compensation for its services, the Underwriter will receive from the Borrower \$208,251.80 for certain fees and expenses related to the issuance of the Bonds. The Underwriter’s fee shall not include the fee of the Underwriter’s counsel. The obligation of the Underwriter to pay for the Bonds is subject to certain terms and conditions set forth in the Bond Purchase Agreement. The Borrower has agreed to indemnify the Underwriter and the Issuer as to certain matters in connection with the Bonds.

The Underwriter may offer and sell the Bonds that it purchases to certain dealers including dealer banks and dealers depositing the Bonds into investment trusts and others at a price lower than the public offering price stated herein. The offering price of the Bonds may be changed from time to time by the Underwriter.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Finance Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

WFBNA, acting through its Municipal Finance Group, the sole underwriter of the Bonds, has entered into an agreement (the “WFA Distribution Agreement”) with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting compensation with respect to the Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

The Issuer has not been furnished with any documents relating to the WFA Distribution Agreement or the WFSLLC Distribution Agreement and makes no representations of any kind with respect thereto. The Issuer is not a party to the WFA Distribution Agreement or the WFSLLC Distribution Agreement and has not entered into any agreement or arrangement with WFBNA, WFSLLC or WFA with respect to the offering and sale of the Bonds.

In addition to serving as the Underwriter, Wells Fargo Bank, National Association or one of its affiliates will (i) serve as the Lender to the Borrower and (ii) provide LIHTC equity to the Project, and will be compensated for serving in such capacities. Conflicts of interest could arise by reason of the different capacities in which Wells Fargo Bank, National Association and its affiliates act in connection with the Bonds, the Mortgage Loan and the LIHTC equity.

The Underwriter and its affiliates are full-service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Underwriter and its affiliates may have, from time to time, performed, and may in the future perform, various investment banking services either for the Issuer and/or the Borrower and affiliates thereof, for which they received or will receive customary fees and expenses. The Underwriter is not acting as financial advisor to the Issuer or the Borrower in connection with the offer and sale of the Bonds.

In the ordinary course of their various business activities, the Underwriter and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer and/or the Borrower and affiliates thereof.

## **RATING**

Moody’s Investors Service, Inc., a Delaware corporation (the “Rating Agency”) has assigned to the Bonds the rating set forth on the cover page hereof. An explanation of the significance of such rating may be obtained from the Rating Agency. The rating of the Bonds reflects only the views of the Rating Agency at the time such rating was given, and neither the Issuer nor the Borrower nor the Underwriter makes any representation as to the appropriateness of the rating. The rating is not a recommendation to buy, sell, or hold the Bonds. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by the Rating Agency, if in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

## **CONTINUING DISCLOSURE**

The Borrower, as the only “obligated person” with respect to the Bonds, will enter into a Continuing Disclosure Agreement, dated as of December 1, 2023 (the “Continuing Disclosure Agreement”), with U.S. Bank Trust Company, National Association, acting as Dissemination Agent, pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the United States Securities and Exchange Commission (the “Rule”). Financial statements will be provided at least annually to the Municipal Securities Rulemaking Board (the “MSRB”) and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access (“EMMA”) system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as Appendix G.

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Financing Agreement (although Bondholders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply is required to be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

## **THE TRUSTEE**

*The information under this heading has been provided solely by the Trustee and is believed to be reliable, but has not been verified independently by the Issuer or the Underwriter. No representation whatsoever as to the accuracy, adequacy or completeness of such information is made by the Issuer or the Underwriter.*

The Trustee is a national banking association organized and existing under the laws of the United States of America, having all of the powers of a bank, including fiduciary powers, and is a member of the Federal Deposit Insurance Corporation and the Federal Reserve System.

The Trustee is to carry out such duties as are assigned to it under the Indenture, the Financing Agreement, and the other Financing Documents. Except for the contents of this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and assumes no responsibility for the nature, contents, accuracy or completeness of the information set forth in this Official Statement or for the recitals contained in the Indenture or the Bonds (except for the certificate of authentication on each Bond), or for the validity, sufficiency, or legal effect of any of such documents.

Furthermore, the Trustee has no oversight responsibility, and is not accountable, for the use or application of any of the Bonds authenticated or delivered pursuant to the Indenture or for the use or application of the proceeds of such Bonds. The Trustee has not evaluated the risks, benefits, or propriety of any investment in the Bonds and makes no representation, and has reached no conclusions, regarding the value or condition of any assets or revenues pledged or assigned as security for the Bonds, the technical or financial feasibility of the expected uses of proceeds of the Bonds or the investment quality of the Bonds, about all of which the Trustee expresses no opinion and expressly disclaims the expertise to evaluate.

## **ENFORCEABILITY OF REMEDIES**

The remedies available to the Trustee, the Issuer and the Bondholders upon an Event of Default under the Indenture, the Financing Agreement or the Regulatory Agreement are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, including specifically the Federal Bankruptcy Code, the remedies provide for under the Indenture, the Financing Agreement or the Regulatory Agreement may not be readily available or may be limited.

In addition, the Financing Agreement provides that the payment obligations of the Borrower contained therein (other than certain obligations to the Issuer and the Trustee) will be limited obligations payable solely from the income and assets of the Borrower, and that no member of the Borrower will have any personal liability for the satisfaction of any payment obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

## **RELATIONSHIP AMONG PARTIES**

In connection with the issuance of the Bonds, the Issuer, the Borrower, and the Underwriter are being represented by the attorneys or law firms identified herein. In other transactions not related to the Bonds, each of these attorneys or law firms may have acted as bond counsel or represented the Issuer, the Underwriter, the Borrower, or their affiliates, in capacities different from those described herein, and there will be no limitations imposed as a result of the issuance of the Bonds on the ability of any of those attorneys or firms to act as bond counsel or represent any of these parties in any future transactions. Potential purchasers of the Bonds should not assume that the Issuer, the Underwriter, the Borrower, or their respective counsel or Bond Counsel have not previously engaged in, or will not after the issuance of the Bonds engage in, other transactions with each other or with affiliates of any of them, and no assurance can be given that there are or will be no past or future relationships or transactions between or among any of these parties or these attorneys or law firms.

The conservator, the Federal Housing Finance Agency (“FHFA”), succeeded to all rights, titles, powers and privileges of Fannie Mae and of any shareholder, officer or director of the company with respect to the company and its assets. For additional information on the conservatorship, see “**FANNIE MAE — Regulation and Conservatorship**” in the Fannie Mae MBS Prospectus.

Fannie Mae’s regulators include FHFA, the U.S. Department of Housing and Urban Development (“HUD”), the Securities and Exchange Commission (the “SEC”), and the U.S. Department of the Treasury (the “Treasury”). The Office of Federal Housing Enterprise Oversight, the predecessor of FHFA, was Fannie Mae’s safety and soundness regulator prior to enactment of the Federal Housing Finance Regulatory Reform Act of 2008.

On September 7, 2008, Fannie Mae entered into a senior preferred stock purchase agreement with the Treasury pursuant to which Fannie Mae issued to it one million shares of senior preferred stock and a warrant to purchase, for a nominal price, shares of common stock equal to 79.9% of the outstanding common stock of Fannie Mae. **Nevertheless, Fannie Mae alone is responsible for making payments under its guaranty. The MBS if issued by Fannie Mae and acquired by the Trustee and payments of principal and interest on the MBS will not be guaranteed by the United States and do not constitute a debt or obligation of the United States or any of its agencies or instrumentalities other than Fannie Mae.**

Sponsor and Depositor ..... Fannie Mae is the sponsor of this offering of certificates and the depositor of the mortgage loans into the trust.

Description of MBS.....	The MBS if issued by Fannie Mae and acquired by the Trustee will represent a pro rata undivided beneficial ownership interest in (i) the Mortgage Loan or (ii) the pool of mortgage loan participation interests that comprise the trust. See “MORTGAGE LOAN” in the Official Statement. Fannie Mae will issue the MBS in book-entry form on the book-entry system of the U.S. Federal Reserve Banks. The book-entry MBS will not be convertible into physical certificates.
Minimum Denomination .....	Fannie Mae will issue the MBS in minimum denominations of \$1,000, with additional increments of \$1.
Issue Date .....	The date specified on the front cover page, which is the first day of the month in which the MBS is issued.
Settlement Date .....	The date specified on the front cover page, which is a date no later than the last business day of the month in which the issue date occurs.
Distribution Date .....	The “Distribution Date” is the 25th day of each month which is the date designated for payments to the Trustee as holder of the MBS, if issued. If that day is not a Business Day, payments will be made on the next Business Day. The first Distribution Date for the MBS will occur in the month following the month in which the MBS is issued. For example, if the issue date is September 1st, the distribution date is October 25th or, if October 25th is not a Business Day, the first Business Day following October 25th.
Maturity Date .....	The date specified on the inside cover page hereof, which is the date that the final payment is due on the last mortgage loan remaining in the pool.
Use of Proceeds .....	The MBS is backed by a pool of one or more mortgage loans that Fannie Mae recently acquired or already owned. Fannie Mae is issuing the MBS either in exchange for the recently acquired mortgage loans or for cash proceeds that are generally used for purchasing other mortgage loans or for general corporate purposes.
Interest.....	On each Distribution Date, Fannie Mae will pass through on the MBS, if issued, one month’s interest at the “Pass-Through Rate”.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of interest, the amount of interest distributed to certificateholders on a Distribution Date will not be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

As described under the caption “**MATERIAL FEDERAL INCOME TAX CONSEQUENCES**” which can be found at <https://capitalmarkets.fanniemae.com/media/23966/display>, the MBS and payments on the MBS, including interest payments thereon, are subject to federal income taxation. Such interest payments only become excluded from gross income for federal income tax purposes and excluded from taxation by the State, to the extent described elsewhere herein, when applied by the Trustee to pay interest due on the Bonds. See “TAX MATTERS” in the Official Statement herein.

Principal ..... Fannie Mae will receive collections on the Mortgage Loan on a monthly basis. The period Fannie Mae uses to differentiate between collections in one month and collections in another month is called the due period. The due period is the period from and including the second calendar day of the preceding month in which the Distribution Date occurs to and including the first calendar day of the month in which the Distribution Date occurs.

On each Distribution Date, Fannie Mae will pass through principal of the MBS, if issued, as follows:

- the aggregate amount of the scheduled principal due on the Mortgage Loan in the pool during the related due period; and
- the aggregate amount of the unscheduled principal payments specified below:
  - the stated principal balance of the Mortgage Loan as to which prepayments in full were received during the calendar month immediately preceding the month in which that Distribution Date occurs;
  - the stated principal balance of the Mortgage Loan if it was purchased from the pool during the calendar month immediately preceding the month in which that Distribution Date occurs; and
  - the amount of any partial prepayments on the Mortgage Loan that were received during the calendar month immediately preceding the month in which that Distribution Date occurs.

Because Fannie Mae's guaranty requires it to supplement amounts received by the trust as required to permit timely payment of the principal amounts specified above, the amount of principal distributed to certificateholders on a Distribution Date will **not** be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

Fannie Mae may treat a prepayment in full received on the first Business Day of a month as if the prepayment were received on the last Business Day of the preceding month. If Fannie Mae does so, it passes through these prepayments on the Distribution Date in the same month in which the prepayment actually was received. For example, if a prepayment on the Mortgage Loan in full is actually received on the first Business Day of September, it would be treated as if it had been received on the last Business Day of August and, therefore, would be passed through on September 25 (or the next Business Day, if September 25 is not a Business Day).

The Mortgage Loan permits the reamortization of principal after a permitted voluntary prepayment or an involuntary partial prepayment caused by the receipt of proceeds from insurance or condemnation. A reamortization of the Mortgage Loan will cause a change in the amount of principal that is passed through to holders of the MBS.

Monthly Pool Factors .....	<p>On or about the fourth Business Day of each month, Fannie Mae publishes the monthly pool factor for each issuance of its certificates. If an investor multiplies the monthly pool factor by the original principal balance of the MBS, the investor will obtain the current principal balance of the MBS, after giving effect to the monthly principal payment to be passed through on the Distribution Date in that month. The most current pool factor is generally available through DUS Disclose on Fannie Mae’s website at <a href="https://mfdusdisclose.fanniemae.com/#/home">https://mfdusdisclose.fanniemae.com/#/home</a>.</p>
Guaranty .....	<p>Fannie Mae guarantees to each trust that on each Distribution Date it will supplement amounts received by the trust as required to permit payments on the MBS in an amount equal to:</p> <ul style="list-style-type: none"> <li>• the aggregate amounts of scheduled and unscheduled principal payments described in “—Principal” above, and</li> <li>• an amount equal to one month’s interest on the MBS, as described in “—Interest” above.</li> </ul> <p>In addition, Fannie Mae guarantees to the related trust that it will supplement amounts received by the trust as required to make the full and final payment of the unpaid principal balance of the related certificates on the Distribution Date in the month of the maturity date specified in the prospectus supplement.</p> <p>Certificateholders have certain limited rights to bring proceedings against the Treasury if Fannie Mae fails to pay under its guaranty. The total amount that may be recovered from the Treasury is subject to limits imposed in the senior preferred stock purchase agreement. For a description of certificateholders’ rights to proceed against Fannie Mae and the Treasury, see <b>“FANNIE MAE—Certificateholders’ Rights Under the Senior Preferred Stock Purchase Agreement”</b> in the Fannie Mae MBS Prospectus.</p>
Prepayments .....	<p>A borrower may voluntarily prepay the loan in full. Except during the open period, each mortgage loan in the pool requires payment of a prepayment premium if the loan is prepaid voluntarily, as disclosed on Annex A. A portion of the prepayment premium, if collected, may be shared with certificateholders under the circumstances described in <b>“YIELD, MATURITY AND PREPAYMENT CONSIDERATIONS—Maturity and Prepayment Considerations—Prepayment of a Mortgage Loan”</b> in the Fannie Mae MBS Prospectus. <b>Fannie Mae does not guarantee to any trust the payment of any prepayment premiums.</b></p>
Master Servicing/Servicing .....	<p>Fannie Mae is responsible as master servicer for certain duties. Fannie Mae has contracted with the mortgage servicer identified on Annex A to perform servicing functions for us subject to our supervision. Fannie Mae refers to this servicer or any successor servicer as its primary servicer. In certain limited circumstances, Fannie Mae may act as primary servicer. For a description of Fannie Mae’s duties as master servicer and the responsibilities of its primary servicer, see <b>“THE TRUST DOCUMENTS—Collections and Other Servicing Practices”</b> and <b>“FANNIE MAE PURCHASE PROGRAM—Servicing Arrangements”</b> in the Fannie Mae MBS Prospectus.</p>

Business Day .....	Any day other than a Saturday or Sunday, a day when the fiscal agent or paying agent is closed, a day when the Federal Reserve Bank of New York is closed or is authorized or obligated by law or executive order to remain closed, or, for purposes of withdrawals from a certificate account, a day when the Federal Reserve Bank is closed in the district where the certificate account is maintained if the related withdrawal is being made from that certificate account.
Trust Documents .....	If issued, the MBS will be issued pursuant to the applicable Trust Agreement relating to the MBS issued at that time, as supplemented by a trust issue supplement for that issuance. Certain pertinent provisions of the trust agreement in the Fannie Mae MBS Prospectus will apply. Investors should refer to the trust agreement and the related trust issue supplement for a complete description of their rights and obligations as well as those of Fannie Mae in its various capacities. The current form of the trust agreement, as of the date hereof, may be found on Fannie Mae's website: <a href="http://www.fanniemae.com">http://www.fanniemae.com</a> .
Trustee .....	Fannie Mae serves as the trustee for the trust pursuant to the terms of the trust agreement and the related trust issue supplement.
Paying Agent .....	An entity designated by Fannie Mae to perform the functions of a paying agent. The Federal Reserve Bank of New York currently serves as Fannie Mae's paying agent for certificates such as the MBS.
Fiscal Agent.....	An entity designated by Fannie Mae to perform certain administrative functions for the trust. The Federal Reserve Bank of New York currently serves as Fannie Mae's fiscal agent for certificates such as the MBS.
Multifamily Mortgage Loan Pool.	Each mortgage loan in the pool is a fixed-rate loan included in one of the following categories: <ul style="list-style-type: none"> <li>• Fixed-rate loans with monthly payments of interest only during their entire loan terms, with a balloon payment of all outstanding principal at maturity;</li> <li>• Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest for their remaining loan terms, with a balloon payment of all outstanding principal at maturity;</li> <li>• Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest that fully amortize over their remaining loan terms;</li> <li>• Fixed-rate loans with monthly payments of interest and principal during their entire loan terms, with a balloon payment of all outstanding principal at maturity; and</li> <li>• Fixed-rate loans with monthly payments of interest and principal that fully amortize over their loan terms.</li> </ul>

Multifamily Mortgage Loans.....	Each mortgage loan in the pool was acquired from a multifamily mortgage loan seller that Fannie Mae has approved. A mortgage loan may have been originated by the seller or may have been acquired by the seller from the originator of the loan, which may or may not be an approved mortgage loan seller. Each mortgage loan that Fannie Mae acquires either meets its published standards or is reviewed by Fannie Mae before delivery to determine its suitability. Fannie Mae may modify its standards or permit waivers on specific transactions from time to time.
Types of Property .....	<p>Each mortgage loan in the pool is secured by a lien on one or more of the following types of property:</p> <ul style="list-style-type: none"> <li>• Multifamily residential properties;</li> <li>• Cooperative housing projects;</li> <li>• Dedicated student housing;</li> <li>• Manufactured housing communities;</li> <li>• Military housing; or</li> <li>• Seniors housing</li> </ul> <p>Annex A discloses the type of property securing each mortgage loan in the pool and the priority of each lien. Any type of property may also be considered affordable housing; Annex A discloses certain affordable housing characteristics.</p>
Termination .....	The trust will terminate when the certificate balance of the certificates has been reduced to zero, and all required distributions have been passed through to certificateholders. Fannie Mae has no unilateral option to cause an early termination of the trust other than by purchasing a mortgage loan from the pool for a reason permitted by the trust documents.
Federal Income Tax Consequences .....	The mortgage pool will be classified as a fixed investment trust. Unless otherwise disclosed in the Additional Disclosure Addendum to the Fannie Mae Prospectus, Fannie Mae will file an election to treat the mortgage pool as a being included in the assets of a real estate mortgage investment conduit (“REMIC”). In that case, for federal income tax purposes the related certificate will represent ownership of a REMIC regular interest and an interest in any associated prepayment premiums, in each case, in respect of each mortgage loan in the pool. See “ <b>MATERIAL FEDERAL INCOME TAX CONSEQUENCES</b> ” in the Fannie Mae MBS Prospectus.
Whole Pool Certificates.....	Fannie Mae’s counsel, Katten Muchin Rosenman LLP, has advised Fannie Mae that certificates issued under the trust documents that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in the related trust and with respect to which REMIC elections are made will qualify as “whole pool certificates” to the same extent as certificates that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in a trust with respect to which no REMIC elections are made.

Resecuritization .....	Following the assignment of mortgage loans to a trust, the related certificates upon issuance will represent the initial securitization of the mortgage loans. Any further assignment of the certificates to a REMIC trust or other issuance vehicle will represent the initial resecuritization of the mortgage loans. Certificates backed by mortgage loans with respect to which a REMIC election is made may be resecuritized to the same extent as, and may be commingled freely with, certificates backed by mortgage loans with respect to which no REMIC election is made.
Legal Investment Considerations .	Under the Secondary Mortgage Market Enhancement Act of 1984, the certificates offered by this prospectus will be considered “securities issued or guaranteed by ... the Federal National Mortgage Association.” Nevertheless, investors should consult their own legal advisor to determine whether and to what extent the certificates of an issuance constitute legal investments for them.
ERISA Considerations.....	For the reasons discussed in “ERISA CONSIDERATIONS” in the Fannie Mae MBS Prospectus, an investment in the certificates by a plan subject to the Employee Retirement Income Security Act (“ERISA”) will not cause the assets of the plan to include the mortgage loans underlying the certificates or the assets of Fannie Mae under the fiduciary provisions of ERISA or the prohibited transaction provisions of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”). Nevertheless, fiduciaries of such plan investors should consult with counsel regarding the applicability of the provisions of ERISA and Section 4975 of the Code before purchasing the certificates.

## SCHEDULE I

### FORM OF ADDITIONAL DISCLOSURE ADDENDUM

*The following information supplements the information in the Fannie Mae MBS Prospectus. In the event of any inconsistency between the information provided in this Addendum and the information in the Fannie Mae MBS Prospectus, the information in this Addendum shall prevail.*

The mortgaged property is subject to affordable housing regulatory agreements that impose income and rent restrictions on tenants of the mortgaged property and is an Affordable Housing Loan. See “THE MORTGAGE LOANS — Affordable Housing Loans”; “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties — The successful operation of a mortgaged property securing an affordable housing mortgage loan may depend upon additional factors”; and “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties—An affordable housing mortgage loan may be secured by a mortgaged property that has received an allocation of low-income housing tax credits but that fails to remain in compliance with the requirements for maintaining eligibility to receive the tax credits due to operations of the property or a casualty on the property” in the Fannie Mae MBS Prospectus for additional information.

The MBS certificates will initially serve as collateral for a tax exempt issue of multifamily housing bonds (the “Bonds”) issued by the Riverhead IDA Economic Job Development Corporation (the “Issuer”) pursuant to and secured by an indenture of trust by and between the Issuer and U.S. Bank Trust Company, National Association, as trustee, and will be held as collateral for the Bonds. The mortgage loan documents provide that the mortgage loan is cross-defaulted with certain agreements relating to the Bonds entered into at the time of the issuance of the Bonds, including but not limited to the indenture authorizing the Bonds and any housing regulatory agreements that limit rents, impose income restrictions or otherwise restrict the use of the property.

Because the mortgage loan documents provide that the mortgage loan is cross-defaulted with certain of the agreements relating to the Bonds, a default under any of the cross-defaulted documents may trigger an event of default on the mortgage loan. If Fannie Mae accelerates the mortgage loan as a result of any event of default under the mortgage loan, the mortgage loan will be paid in full, and the stated principal balance of the MBS certificates will be passed through to the holder of the MBS certificates. In this case, no yield maintenance or other prepayment premiums will be payable to the holder of the MBS certificates.

In order to implement a thirty (30) year payment in lieu of taxes (“PILOT”) agreement with the Town of Riverhead Industrial Development Agency (“TRIDA”), the mortgaged property is being leased by the Borrower to TRIDA for a thirty (30) year term pursuant to a company lease agreement, and is being subleased by TRIDA to the Borrower for a thirty (30) year term pursuant to a lease and project agreement. The Borrower is responsible for the day-to-day operations of the mortgaged property. As a result of TRIDA’s interest in the mortgaged property, the mortgaged property is exempt from real property taxation so long as TRIDA maintains a leasehold interest. The failure of the Borrower to comply with the lease and project agreement may result in termination of the company lease and project and lease agreement and loss of PILOT benefit and the real property tax exemption. The loss of the PILOT benefits may have a material adverse effect on the ability of the Project to generate sufficient revenues to pay principal and interest on the mortgage loan. Any (a) default, event of default, or breach under the company lease agreement, or the lease and project agreement, beyond any applicable cure period provided therein, or (b) transfer of the mortgaged property or an interest in the mortgaged property or the Borrower that would cause the tax exemption to terminate or be substantially reduced, in either instance, is an event of default under the loan agreement. In addition, the Borrower is liable to the lender for repayment of a portion of the mortgage loan equal to any loss or damage suffered by the lender in connection with a tax exemption related event of default that results in the termination or substantial reduction of the tax exemption that is caused by the gross negligence or willful misconduct of the Borrower. See “THE MORTGAGE LOANS—Characteristics of Multifamily Properties—Mortgage Loan Secured by Property Receiving Real Estate Tax Benefits” and “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties—A mortgaged property may benefit from a state or local property tax exemption or tax abatement that requires the Borrower and the property to maintain compliance with specific requirements. The failure to meet those requirements may be an event of default under the mortgage loan”.

The borrower may request Fannie Mae approval to incur and secure a supplemental loan by placing a new lien or liens on the mortgaged property. Any new supplemental loan is expected to be subordinate to the mortgage loan. Generally, however, the supplemental loan will be cross-defaulted with the mortgage loan. As a result, an event of default on the supplemental loan may cause an event of default on the mortgage loan, which may result in acceleration of the mortgage loan. See, “THE MORTGAGE LOANS — General Characteristics of the Mortgage Loans--Existing and Future Supplemental Mortgage Loans — Future Supplemental Mortgage Loans” and “Cross Default; Existing Mortgage Loans; Future Supplemental Mortgage Loans” in the Fannie Mae MBS Prospectus for additional information.

In addition to the matters described above, the eligible multifamily lender making the mortgage loan may request the disclosure of additional matters relating to the mortgage loan or upon delivery of the mortgage loan to Fannie Mae, in Fannie Mae’s discretion it may determine that matters may need to be disclosed in the Additional Disclosure Addendum provided in connection with the issuance of the MBS certificates.

### SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

*The following is a summary of certain provisions of the Indenture which are not described elsewhere in the Official Statement. This summary does not purport to be comprehensive, and reference should be made to the Indenture for a full and complete statement of its provisions.*

#### **Authorization, Transfer and Registration, and Terms of Bonds**

Authorization of Bonds. The Bonds of the Issuer are authorized by the Indenture to be issued in an aggregate principal amount set forth in the Indenture and shall be issued subject to the terms, conditions and limitations established in the Indenture as provided therein. The Bonds shall be issued initially as Book-Entry Bonds. The Bonds may be executed by or on behalf of the Issuer, authenticated by the Trustee and delivered or caused to be delivered by the Trustee to the original purchasers thereof upon compliance with the requirements set forth in the Indenture.

Execution; Limited Obligation. The Bonds shall be signed by, or bear the facsimile or manual signature of, an Authorized Officer of the Issuer, and attested to by the manual or facsimile signature of an Authorized Officer of the Trustee. In case any one or more of the officers of the Issuer who shall have signed any of the Bonds or whose signature appears on any of the Bonds shall cease to be such officer before the Bonds so signed shall have been actually authenticated or delivered or caused to be delivered by the Trustee or issued by the Issuer, such Bonds may, nevertheless, be authenticated and issued and, upon such authentication, delivery and issue, shall be as binding upon the Issuer as if the persons who signed such Bonds or whose signatures appear on any of the Bonds had not ceased to hold such offices until such delivery. Any Bond may be signed on behalf of the Issuer by such persons as at the actual time of execution of the Bonds shall be duly authorized or hold the proper office in the Issuer, although at the date of issuance and delivery of the Bonds such persons may not have been so authorized or have held such office.

Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Issuer, at the expense of the owner of such Bond shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to the Trustee shall be given, the Issuer, at the expense of the owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond authenticated and delivered under this section and of the expenses which may be incurred by the Issuer and the Trustee in the preparation of such new Bond. Any Bond authenticated and delivered under the provisions of this section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of the Indenture with all other Bonds secured by the Indenture. If any such Bond shall have matured, or is about to mature, instead of issuing a new Bond the Trustee may pay the same without surrender thereof upon receipt of the aforementioned indemnity.

Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration, transfer and exchange of the Bonds as provided in the Indenture to be kept by the Trustee, which is constituted and appointed the bond registrar with respect to the Bonds (the "Bond Registrar"). At reasonable times and under reasonable regulations established by the Trustee, said books may be inspected and copied by the Issuer or by owners (or a designated representative thereof) of a majority in aggregate principal amount of the Bonds then Outstanding. The Trustee is also appointed as paying agent for the Bonds.

The registration of each Bond is transferable by the registered owner thereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and Authorized Denomination for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee

shall authenticate and deliver in exchange therefor a Bond of equal aggregate principal amount of the same maturity and Authorized Denomination.

All Bonds presented for registration of transfer, exchange or payment (if so required by the Issuer or the Trustee) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by its duly authorized attorney.

The Issuer, the Bond Registrar and the Trustee shall not be required (i) to issue, register the transfer of or exchange any Bonds during a period beginning at the Trustee's opening of business on the applicable Record Date and ending at the Trustee's close of business on the applicable Payment Date; or (ii) to register the transfer of or exchange any Bond selected, called or being called for redemption as provided in the Indenture. No charge shall be made to any Bondholder for the privilege of registration of transfer as provided in the Indenture, but any Bondholder requesting any such registration of transfer shall pay any tax or governmental charge required to be paid therefor.

New Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

The person in whose name any Bond is registered shall be deemed the owner thereof by the Issuer and the Trustee, and any notice to the contrary shall not be binding upon the Issuer or the Trustee. Notwithstanding anything in the Indenture to the contrary, to the extent the Bonds are Book Entry Bonds, the provisions of the Indenture shall govern the exchange and registration of Bonds.

### **Terms of Redemption**

The Bonds shall be subject to redemption prior to maturity under the Indenture as follows. Any redemption in part shall be in Authorized Denominations and the Lender shall furnish the Trustee with a revised Mortgage Loan Amortization Schedule in connection with such redemption in part:

Optional Redemption. Notwithstanding anything to the contrary in the Indenture, the Bonds are not subject to optional redemption, but are subject to redemption prior to maturity in connection with a prepayment of the Mortgage Loan, as set forth in the Indenture.

Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Bonds are subject to mandatory redemption in whole five (5) calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred (or, if no Payment Date has occurred, from the Bond Dated Date) to, but not including, such redemption date, if the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to premium, if any, and interest, from money on deposit in the Revenue Fund.

Mandatory Redemption in Part on the MBS Delivery Date. The Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to, but not including, the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to interest and premium, if any, from money on deposit in the Revenue Fund and other Eligible Funds.

Mandatory Sinking Fund Redemption. The Term Bonds are subject to mandatory redemption on the respective dates set forth in the schedule in the Indenture, at the Redemption Price equal to the principal amount thereof, plus accrued interest to the redemption date.

**Mandatory Redemption Following the MBS Delivery Date.** In addition to the mandatory sinking fund redemption of the Term Bonds pursuant to the heading “Mandatory Sinking Fund Redemption” above, the Bonds are subject to mandatory redemption in whole or in part one Business Day after the date on which each principal payment or prepayment is received pursuant to the MBS, other than principal payments made pursuant to the Mortgage Loan Amortization Schedule, at a Redemption Price equal to the principal amount thereof, plus accrued interest to the redemption date. Prepayments of the Mortgage Loan during the Yield Maintenance Period of 144 months may be subject to prepayment premium. Following the Yield Maintenance Period, prepayments of the Mortgage Loan are subject to a 1% prepayment penalty for a period of 36 months. Thereafter, the Mortgage Loan is not subject to prepayment penalty.

**Selection of Bonds for Redemption.** If less than all of the Bonds are redeemed pursuant to the heading “Mandatory Sinking Fund Redemption” above, Bonds shall be redeemed in accordance with the respective schedules set forth in the Indenture. In the event the Bonds are redeemed in part and not in whole pursuant to the heading “Mandatory Sinking Fund Redemption” above, the Bonds shall be redeemed ratably across all maturities and the scheduled principal payments on the Bonds to remain outstanding and the mandatory redemption requirements for each maturity described in the Indenture shall be adjusted so that the resulting debt service on the Bonds (including scheduled mandatory redemption payments) during each six-month period commencing on each Payment Date is proportional, as nearly as practicable, to the payments on the MBS during each such six-month period, without exceeding the amount available from MBS payments, and other available funds under the Indenture that may be used to pay debt service on the Bonds, during each such six-month period. All Bonds to be redeemed within the same maturity shall be selected randomly by lot.

Except as otherwise described above, any Bonds to be called for redemption shall be selected by the Trustee by lot, such selection to be made prior to the date on which notice of such redemption must be given and Bonds shall be redeemed as soon as practicable after an event causing a redemption shall have occurred. The Trustee shall have no liability for such selections made without gross negligence or willful misconduct.

If it is determined that less than all of the principal amount represented by any Bond is to be called for redemption, then, following notice of intention to redeem such principal amount, the holder thereof shall surrender such Bond to the Trustee on or before the applicable redemption date for (a) payment on the redemption date to such Bondholder of the Redemption Price of the amount called for redemption and (b) delivery to such Bondholder of a new Bond or Bonds of such Series in an aggregate principal amount equal to the unredeemed balance of such Bond. A new Bond representing the unredeemed balance of such Bond shall be issued to the registered owner thereof, without charge therefor. If the registered owner of any Bond selected for redemption shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the amount called for redemption (and to that extent only).

## **Notice of Redemption**

Anytime the Bonds are subject to redemption in whole or in part described under the heading “Terms of Redemption,” above (except for a sinking fund redemption described under the heading “Terms of Redemption — Mandatory Sinking Fund Redemption” above and a mandatory redemption described under the heading “Terms of Redemption — Mandatory Redemption Following the MBS Delivery Date” above), the Trustee, in accordance with the provisions of the Indenture, shall give at least five (5) calendar days’ notice, in the name of the Issuer, of the redemption of the Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee’s name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Notice delivered as required in this heading “Notice of Redemption” with respect to a redemption described under the heading “Terms of Redemption — Optional Redemption,” above, may be rescinded and annulled on or before the redemption date set forth in such notice if (i) the MBS is delivered on or prior to such redemption date or (ii) the MBS Delivery Date Deadline is extended under the heading “Extensions of MBS Delivery Date Deadline,” below. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption. Notwithstanding anything in the Indenture to the contrary, no notice of redemption shall be required

with respect to redemptions described under the headings “Terms of Redemption — Mandatory Sinking Fund Redemption” and “Terms of Redemption — Mandatory Redemption Following the MBS Delivery Date” above.

The Bonds to be redeemed in part described under the heading “Terms of Redemption,” above will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository, and any partial prepayments pursuant thereto shall be made in accordance with the “Pro Rata Pass-Through Distributions of Principal” procedures of DTC or comparable procedures of any successor Substitute Depository.

In the event that the MBS has not been purchased by, and delivered to, the Trustee ten (10) Business Days prior to the MBS Delivery Date Deadline (as such date may be extended under the Indenture), the Trustee shall provide, ten (10) Business Days prior to the MBS Delivery Date Deadline, to the Borrower, the Lender, the Issuer and the Underwriter written notice of such non-purchase.

Notwithstanding the provisions described under the heading “Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline,” above, no prior notice shall be a prerequisite to the effectiveness of any redemption under the heading “Terms of Redemption” which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to the heading “Terms of Redemption,” above, required under this heading “Notice of Redemption.”

### **Payment of Redemption Price**

With respect to any redemption pursuant to the heading “Terms of Redemption” above, notice having been given in the manner provided in the heading “Notice of Redemption” above (or not required to be given as a result of a redemption pursuant to the heading “Mandatory Sinking Fund Redemption” above), and all conditions to the redemption contained in such notice, if applicable, having been met, the Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price specified in the heading “Terms of Redemption” above, and, except in the case of a redemption as described under the heading “Mandatory Sinking Fund Redemption,” above, upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed Bonds shall be made in accordance with the Representation Letter of the Issuer. If, on the redemption date, moneys for the redemption of all of the Bonds or the Bonds to be redeemed, together with all accrued interest on such Bonds, which shall equal all interest accrued on the MBS, if delivered, to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds so called for redemption shall cease to accrue.

### **Extension of MBS Delivery Date Deadline**

At any time prior to the MBS Delivery Date Deadline, the Borrower may extend the MBS Delivery Date Deadline by (i) providing to the Trustee, the Lender, the Issuer, the Rating Agency and the Underwriter written notice of any extension of the MBS Delivery Date Deadline, and (ii) depositing Eligible Funds for the credit of the Negative Arbitrage Account of the Revenue Fund in an amount, taking into account amounts already on deposit therein, sufficient to pay interest due on the Bonds to the date that is five (5) calendar days after the extended MBS Delivery Date Deadline (the “Extension Deposit”). Extension Deposits may continue to be made by or on behalf of the Borrower until the MBS Delivery Date occurs or the Borrower declines to make an Extension Deposit resulting in the mandatory redemption described under the heading “Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline,” above; provided, however, the MBS Delivery Date Deadline may not be extended to a date that is later than the third anniversary of the Bond Dated Date unless prior to any extension beyond such date, the Trustee and the Issuer shall have received an opinion of Bond Counsel to the effect that such extension will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. The cost of such opinion shall be the sole responsibility of the Borrower.

## **Delivery of MBS**

The obligation of the Trustee to purchase the MBS on the MBS Delivery Date shall be subject to receipt by the Trustee of written notification from the Lender upon which the Trustee may rely and act without further investigation certifying that the MBS duly executed by Fannie Mae is available for purchase by the Trustee at the MBS Purchase Price, and the Trustee shall confirm that such MBS meets the following requirements:

(b) There shall be deposited into the Revenue Fund, as and when received, (i) all moneys received by the Trustee representing principal payments or repayments, and premium, if any, under the MBS, together with all other amounts required pursuant to the Indenture to be deposited therein, (ii) accrued interest on the MBS from the first (1<sup>st</sup>) day of the month in which the MBS is delivered, to the MBS Delivery Date, (iii) any other amounts specified in the Indenture, and (iv) all moneys received by the Trustee representing interest payments under the MBS, to be held therein pending distribution in accordance with the terms of the Indenture.

(c) On the MBS Delivery Date, the Trustee shall remit from the Revenue Fund (and, to the extent amounts in the Revenue Fund, other than amounts in the Negative Arbitrage Account therein, are insufficient for such purposes, from the Negative Arbitrage Account therein) to the Lender accrued and unpaid interest on the MBS at the Pass-Through Rate from and including the first calendar day of the month in which the MBS was delivered to, but not including, the MBS Delivery Date.

(d) On any Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Trustee shall disburse from the Revenue Fund (and, to the extent amounts in the Revenue Fund, other than amounts in the Negative Arbitrage Account therein, are insufficient for such purposes, from the Negative Arbitrage Account therein), an amount equal to the amount of principal, if any, and interest due on the Bonds on such Payment Date. On the first Business Day following the first Payment Date following the MBS Delivery Date, the Trustee shall transfer from (i) from the Negative Arbitrage Account to the Revenue Fund an amount that, when added to the balance in the Revenue Fund, equals a total of \$20,000 and (ii) any remaining balance in the Negative Arbitrage Account to the Borrower.

(e) On each Payment Date, the Trustee shall pay to the Bond owners, from the Revenue Fund, the amount listed in the applicable maturity, sinking fund and interest payment schedule set forth in the Indenture. All payments of principal and interest shall be paid to Bond owners in proportion to the principal amount of Bonds owned by each Bond owner as set forth on the records of the Trustee at the close of business on the applicable Record Date.

(f) If the Trustee does not receive a scheduled payment on the MBS by 5:00 p.m. Eastern Time on the 25th day of any month (or the next succeeding Business Day if such day of the month is not a Business Day), the Trustee shall immediately notify Fannie Mae and immediately demand payment under the terms of the guaranty thereof.

(g) The Trustee is authorized to release available Excess Funds (in excess of \$104,375.00) from the Revenue Fund to or upon the direction of the Borrower, upon receipt by the Trustee of (1) a written notice from the Borrower to the Trustee to release such Excess Funds, and (2) a Cash Flow Projection acceptable to the Rating Agency and prepared in accordance with the terms of the Indenture.

## **Costs of Issuance Fund**

On or before the Closing Date, the Borrower shall deliver to the Trustee the Costs of Issuance Deposit, from amounts other than Bond proceeds, to be deposited to the Costs of Issuance Fund to pay Costs of Issuance incurred in connection with the issuance of Bonds. The Trustee shall use amounts in the Costs of Issuance Fund on the Closing Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Borrower, upon delivery to the Trustee of appropriate invoices for such expenses. Any unexpended amounts attributable to deposits made by the Borrower remaining on deposit in the Costs of Issuance Fund three months after the Closing Date shall be returned to the Borrower and the Costs of Issuance Fund shall be closed.

## **Bond Proceeds Fund**

Amounts deposited into the Bond Proceeds Fund shall be used by the Trustee on the MBS Delivery Date to pay the principal portion of the MBS Purchase Price as set forth under the heading "Application of Funds on MBS Delivery Date," above. All investment earnings from amounts on deposit in the Bond Proceeds Fund shall be transferred to the Revenue Fund.

## **Rehabilitation Fund**

The Trustee shall establish, create and maintain a Rehabilitation Fund under the Indenture and moneys shall be held in the Rehabilitation Fund for reasons of convenience and tax accounting only. On the Closing Date, the Lender will deliver funds to the Trustee for deposit into the Rehabilitation Fund. The Rehabilitation Fund shall not be a part of the Trust Estate. Amounts on deposit in the Rehabilitation Fund shall be disbursed by the Trustee to fund the Project Costs pursuant to requisitions executed by the Borrower and approved by the Lender in the form attached to the Indenture as an exhibit. The moneys in the Rehabilitation Fund shall, pending disbursement to the Borrower at the written direction of the Lender, pursuant to the terms of the Multifamily Loan and Security Agreement, be pledged by the Borrower to the Lender until the MBS Delivery Date, and thereafter to Fannie Mae. The Trustee shall hold such funds as custodian for Lender as the pledgee and not for the Bondholders.

## **Investment of Funds**

The moneys held by the Trustee shall constitute trust funds for the purposes of the Indenture. Any moneys attributable to each of the Funds and Accounts under the Indenture shall be invested by the Trustee at the written direction or telephonic direction (promptly confirmed in writing) of the Borrower in Eligible Investments which mature or are redeemable at par, without penalty, on or before the date on which such funds are expected to be needed for the purposes for which they are held. Notwithstanding anything in the Indenture to the contrary except as otherwise set forth in this sentence, (i) prior to the MBS Delivery Date, all amounts in the Bond Proceeds Fund and the Revenue Fund shall be invested solely in Eligible Investments, and (ii) following the MBS Delivery Date, payments received with respect to the MBS shall be invested solely in Eligible Investments. All investment earnings from amounts on deposit in the Bond Proceeds Fund and the Revenue Fund shall be credited to the Revenue Fund. If the Trustee does not receive written direction or telephonic direction (promptly confirmed in writing) from the Borrower regarding the investment of funds, the Trustee shall invest solely in Eligible Investments described in clause (b) of the definition of Eligible Investments, which shall mature or be redeemable at par without penalty at the times set forth in this section. The Trustee may make any and all such investments through its own banking department or the banking department of any affiliate.

Eligible Investments representing an investment of moneys attributable to any Fund or Account shall be deemed at all times to be a part of such Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary to do so in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such Fund. In the case of any required transfer of moneys to another such Fund, such investments may be transferred to that Fund in lieu of the required moneys if permitted by the Indenture as an investment of moneys in that Fund.

All Eligible Investments acquired by the Trustee pursuant to the Indenture shall be purchased in the name of the Trustee and shall be held for the benefit of the Bondholders pursuant to the terms of the Indenture. The Trustee

shall take such actions as shall be necessary to ensure that such Eligible Investments are held pursuant to the terms of the Indenture and are subject to the trust and security interest created in the Indenture.

The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with the Indenture. The Trustee or its affiliates may act as sponsor, principal or agent in the acquisition or disposition of investments. The Trustee may commingle investments made under the Funds and Accounts established under the Indenture but shall account for each separately.

In computing for any purpose under the Indenture the amount in any Fund or Account on any date, obligations so purchased shall be valued at the lower of cost or par exclusive of accrued interest, and may be so valued as of any time within four (4) days prior to such date.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur. The Borrower specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions.

### **Particular Covenants**

Payment of Bonds. Subject to the other provisions of the Indenture, the Issuer shall duly and punctually pay or cause to be paid, solely, from amounts available in the Trust Estate the principal of, premium, if any, and interest on the Bonds, at the dates and places and in the manner described in the Bonds, according to the true intent and meaning thereof. The Bonds are not a general obligation of the Issuer, but are payable solely from the Trust Estate.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Mortgage Note and the MBS, even though the principal amount of both instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

Tax Covenants. The Issuer shall not take any action that will cause the interest paid on the Bonds to be includable in gross income for federal income tax purposes or to be subject to personal income taxation by the State. In furtherance of the foregoing covenant, the Issuer particularly covenants and agrees with the Bondholders as follows:

(a) No part of the proceeds of the Bonds or any other funds of the Issuer shall be used by the Issuer at any time directly or indirectly to acquire securities or obligations, the acquisition of which, or which in any other manner, would cause any Bond to be an arbitrage bond as defined in Section 148 of the Code and any applicable Regulations promulgated thereunder.

(b) The Issuer will not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code and any applicable Regulations promulgated thereunder.

In the event of a conflict between the provisions under this heading “Tax Covenants” and the Tax Certificate, the provisions of the Tax Certificate shall control.

Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of the principal due on any of the Bonds or the time of payment of interest due on the Bonds, and if the time for payment of any such claims for interest shall be extended through any other means, such Bonds or claims for interest shall not be entitled in case of any default under the Indenture to any payment out of the Trust Estate or the funds (except funds held in trust for the payment of particular Bonds pursuant to the Indenture) held by the Trustee, except subject to the provisions of the Indenture and subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds which is not represented by such extended claims for interest.

If an Extension Deposit has not been made under the heading “Extension of MBS Delivery Date Deadline,” and paragraph (a) under the heading “Revenue Fund,” above, such that the aggregate balance in the Bond Proceeds Fund and the Revenue Fund is equal to 100% of the principal amount of the Bonds plus interest accrued on the Bonds to the date which is five (5) calendar days following the MBS Delivery Date Deadline (as such date may be extended under the Indenture), then the Bonds shall be subject to mandatory redemption as set forth under the heading “Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline.”

## **Discharge of Indenture**

### Defeasance.

(a) If all Bonds shall be paid and discharged as provided in this section, then all obligations of the Trustee and the Issuer under the Indenture with respect to all Bonds shall cease and terminate, except only (i) the obligation of the Trustee to pay or cause to be paid to the owners thereof all sums due with respect to the Bonds and to register, transfer and exchange Bonds under the heading “Registration, Transfer and Exchange of Bonds; Persons Treated as Owners,” above, (ii) the obligation of the Issuer to pay the amounts owing to the Trustee under the heading “Fees, Charges and Expenses of Trustee,” below, from the Trust Estate, and (iii) the obligation of the Issuer to comply with the Indenture. Any funds held by the Trustee at the time of such termination which are not required for payment to Bondholders or for payment to be made by the Issuer, shall be paid as provided in the Indenture.

Any Bond or portion thereof in an Authorized Denomination shall be deemed no longer Outstanding under the Indenture if paid or discharged in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of, premium, if any, and interest on such Bond which have become due and payable; or

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Revenue Fund and dedicated to this purpose, is fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed under the definition of Eligible Investments in the Indenture in such amount as in the written opinion of a certified public accountant or nationally recognized verification agent will, together with the interest to accrue on such Eligible Investments without the need for reinvestment, be fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

(b) Notwithstanding the foregoing, no deposit under clauses (ii) and (iii) of subsection (a) above shall be deemed a payment of such Bond until the earlier to occur of:

(i) if such Bond is by its terms subject to redemption within 45 days, proper notice of redemption of such Bond shall have been previously given in accordance under the heading “Notice of Redemption,” above, to the holder thereof or, in the event such Bond is not by its terms subject to redemption within 45 days of making the deposit under clauses (ii) and (iii) of subsection (a) above, the Issuer shall have given the Trustee irrevocable written instructions to mail by first-class mail, postage prepaid, notice to the holder of such Bond as soon as practicable stating that the deposit required by clauses (ii) or (iii) of subsection (a) above, as applicable, has been made with the Trustee and that such Bond is deemed to have been paid and further stating such redemption date or dates upon which money will be available for the payment of the principal and accrued interest thereon; or

(ii) the maturity of such Bond.

(c) The Trustee shall be entitled to receive a report from a nationally recognized accounting firm or other nationally recognized verification agent to provide for the payment of all Bonds to be defeased pursuant to this section.

## **Default Provisions and Remedies of Trustee and Bondholders**

Events of Default. Each of the following events shall constitute an Event of Default under the Indenture:

- (a) On and after the MBS Delivery Date, failure by Fannie Mae to pay principal, interest or premium, if any, due under the MBS (upon such failure, the Trustee shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) and require the failure to be remedied);
- (b) Failure to pay the principal, interest or premium, if any, on the Bonds when the same shall become due; or
- (c) Default in the observance or performance of any other covenant, agreement or condition on the part of the Issuer in the Indenture and the continuation of such default for a period of 90 days after written notice to the Issuer from the Trustee or the registered owners of not less than 75% in aggregate principal amount of the Bonds Outstanding at such time specifying such default and requiring the same to be remedied.

The Trustee will immediately notify in writing the Issuer, the Bondholders, the Lender, the Investor Limited Partner and Fannie Mae after an Authorized Officer of the Trustee obtains knowledge or receives notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

### Acceleration; Rescission of Acceleration.

(a) Upon the occurrence of an Event of Default under items (a) or (b) under the heading “Default Provisions and Remedies of Trustee and Bondholders – Events of Default,” above, or the Trustee may, and upon the written request of the holders of not less than seventy-five percent (75%) in aggregate principal amount of the Bonds Outstanding, shall declare (and shall deliver written notice of such declaration to the Issuer, the Lender, the Borrower and Fannie Mae) the principal of all Bonds Outstanding, premium, if any, and the interest accrued thereon immediately due and payable.

(b) Upon the occurrence of an Event of Default under item (c) under the heading “Default Provisions and Remedies of Trustee and Bondholders – Events of Default,” above, at the written request of the holders of not less than one hundred percent (100%) in aggregate principal amount of the Bonds Outstanding, the Trustee shall declare (and shall deliver written notice of such declaration to the Issuer, the Lender, the Borrower and Fannie Mae) the principal of all Bonds Outstanding, premium, if any, and the interest accrued thereon immediately due and payable.

(c) The acceleration of the Bonds will not constitute a default under, or by itself cause the acceleration of, the MBS. If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower, the Investor Limited Partner or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Bonds then due with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults under the Indenture have been made good or cured or waived in writing by the holders of a majority in principal amount of the Bonds Outstanding, then and in every case, the Trustee on behalf of the holders of all the Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

Other Remedies; Rights of Bondholders. Subject to the Indenture, upon the happening and continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of all Bonds, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the

State or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the MBS;

(b) Upon an Event of Default under paragraph (a) under the heading “Events of Default” above only, by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture (including the sale or disposition of the MBS); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% (or 100% as set forth in paragraph (b) under “Acceleration; Rescission of Acceleration” above) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in the Indenture.

No right or remedy by the terms of the Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders under the Indenture, the Financing Agreement, the Regulatory Agreement or the MBS or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Waivers of Events of Default. The Trustee shall waive any Event of Default under the Indenture and its consequences and rescind any declaration of maturity of principal of, premium, if any, and interest on the Bonds upon the written request of the holders of a majority in aggregate principal amount of all Bonds then Outstanding with respect to which there is an Event of Default; provided, however, that there shall not be waived (a) any default in the payment of the principal amount of any Bonds at the date of maturity specified therein or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium, if any, on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all expenses of the Trustee in connection with such monetary default, shall have been paid or provided for, and in case of any such waiver or rescission, the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture respectively.

No such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto; and no delay or omission of the Trustee or of any Bondholders to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

Termination of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or determined adversely to the Trustee, then in every such case the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

## **Concerning the Trustee**

Acceptance of Trusts. U.S. Bank Trust Company, National Association, a national banking association is appointed by the Indenture as Trustee. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Indenture by executing the Indenture, and agrees to perform said trusts, but only upon and subject to the Indenture's express terms and conditions and no implied covenants or conditions shall be read into the Indenture against the Trustee.

Fees, Charges and Expenses of Trustee. Notwithstanding any provision to the contrary in the Indenture, but subject to the limitations set forth in the definition of Ordinary Trustee Fees and Expenses as defined in the Indenture, the Trustee shall be entitled to payment for reasonable fees for its services rendered under the Indenture and the Financing Agreement and reimbursement for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee (including any co-Trustee) in connection with such services which shall be paid from time to time as provided in the Financing Agreement; provided that no such amounts shall be paid to the Trustee from the proceeds of the MBS. Prior to the MBS Delivery Date, upon an Event of Default under paragraph (b) under the heading "Events of Default" above, or after the MBS Delivery Date, upon an Event of Default under paragraph (a) under the heading "Events of Default" above as a result of a failure by Fannie Mae to make payment under the MBS, but only upon such an Event of Default, the Trustee shall have a lien upon the Trust Estate for Ordinary Trustee Fees and Expenses and Extraordinary Trustee Fees and Expenses incurred by it. The Issuer shall require the Borrower to indemnify and save harmless the Trustee against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties under the Indenture, the Financing Agreement and the Regulatory Agreement which are not due to its own negligence or willful misconduct, and to reimburse the Trustee for any fees and expenses of the Trustee to the extent they exceed funds available under the Indenture for the payment thereof, subject only to the right of the Borrower to contest the reasonableness of any such fees or the necessity for any such expenses. The Trustee shall continue to perform its duties and obligations under the Indenture until such time as its resignation or removal is effective pursuant to the Indenture.

Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto shall be and become successor Trustee under the Indenture and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties to the Indenture, anything in the Indenture to the contrary notwithstanding.

Resignation by Trustee. The Trustee and any successor Trustee may at any time resign from the trusts created by the Indenture by giving 30 calendar days' written notice to the Issuer and Fannie Mae, and such resignation shall only take effect upon the appointment, pursuant to the Indenture, of, and acceptance by, a successor Trustee. The successor Trustee shall give notice of such succession by first class mail, postage prepaid, to each Bondholder at the address of such Bondholder shown on the Bond Register.

Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to Fannie Mae, and signed by the Issuer (or if an Event of Default shall have occurred and be continuing, by the owners of a majority in aggregate principal amount of the Bonds then Outstanding, in which event such instrument or instruments in writing shall also be delivered to the Issuer) provided that such removal shall not take effect until the appointment of a successor Trustee by the Issuer (or by the Bondholders).

Appointment of Successor Trustee. In case at any time the Trustee or any successor thereto shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of such Trustee or of its property shall be appointed, or if any public officer shall take charge

or control of such Trustee or of its property or affairs, a successor may be appointed by the Issuer with the approval of Fannie Mae (if it is not in default in its obligations under the MBS), or if Fannie Mae does not approve a successor the Issuer proposes to appoint, or if the Issuer is in default under the Indenture, by the holders of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed by such Bondholders, or their attorneys duly authorized in writing, and delivered to such successor Trustee, notification thereof being given to the Issuer, Fannie Mae, the Borrower, the Investor Limited Partner and the predecessor Trustee. If in a proper case no appointment of a successor Trustee shall have been made pursuant to the foregoing provisions of this section within 45 days after the Trustee shall have given to the Issuer written notice as provided in the Indenture or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this section shall be a bank, trust company or national banking association, having a designated office within the State, having trust powers, with prior experience as trustee under indentures under which multifamily housing revenue bonds of public agencies or authorities are issued, and having a capital and surplus acceptable to the Issuer, the Lender and Fannie Mae, willing and able to accept the office on reasonable and customary terms in light of the circumstances under which the appointment is tendered and authorized by law to perform all the duties imposed upon it by the Indenture, if there be such an institution meeting such qualifications willing to accept such appointment.

Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer and Fannie Mae, and any Bondholder which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if named in the Indenture as such Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, Fannie Mae or the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties held by it under the Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in the Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request, and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Collection of MBS Payments. The Trustee shall cause the MBS to be registered in the name of the Trustee or in the name of the nominee of the Trustee with such additional recitals as appropriate to indicate that the MBS is to be held by the Trustee in its capacity as Trustee under the Indenture subject to the provisions of the Indenture. In the event that any amount payable to the Trustee under the MBS is not received by the Trustee within one Business Day of the date such payment is due, the Trustee shall notify Fannie Mae or (if directed by Fannie Mae) the paying agent for the MBS by telephone (such notification to be immediately confirmed by Electronic Means) that such payment has not been received in a timely manner and request that such payment be made by wire transfer of immediately available funds to the account of the Trustee or such custodian, as the case may be.

## **Supplemental Indentures**

Supplemental Indentures Effective upon Acceptance. For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by the Issuer and by the Trustee, and with the prior written consent of Fannie Mae, but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

(h) To make such changes and modifications that are necessary or desirable to provide for all interest, principal and premium, if any, paid with respect to the Bonds are in the exact respective amounts of the payments of interest, principal and premium, if any, paid under and pursuant to the MBS; and

(i) Prior to entering into any amendment under the Indenture, the Trustee shall have received and be fully protected in relying on, an Opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in accordance with the provisions of the Indenture, is authorized or permitted by the provisions of the Indenture, and, when effective, will be valid and binding upon the Issuer.

Supplemental Indentures Requiring Consent of Bondholders. In addition to those amendments to the Indenture which are authorized under the heading “Supplemental Indentures Effective Upon Acceptance” above, any modification or amendment of the Indenture may be made by a Supplemental Indenture with the written consent, given as hereinafter provided under the heading “Consent of Bondholders” below, of Fannie Mae and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Bonds of the lien created by the Indenture upon the Trust Estate (except as expressly provided in the Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the rights, protections, privileges, immunities, indemnities, limitations on liability or obligations of the Trustee without the written consent thereto of the Trustee.

Consent of Bondholders. The Issuer and the Trustee may, at any time, execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions under the heading “Supplemental Indentures Requiring Consent of Bondholders” above, to take effect when and as provided in this section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in a form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trustee to the Bondholders. Such Supplemental Indenture shall not be effective unless there shall have been provided to the Trustee (a) the written consents of Fannie Mae and the holders of the proportion of Outstanding Bonds specified under the heading “Supplemental Indentures Requiring Consent of Bondholders” above, and (b) an opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in

accordance with the provisions of the Indenture, is authorized or permitted by the provisions of the Indenture, and, when effective, will be valid and binding upon the Issuer. Each such consent of the Bondholders shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the Indenture. Any such consent shall be binding upon the Bondholders giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof). Such Supplemental Indenture making such modification or amendment shall be deemed conclusively binding upon the Issuer, the Trustee and the holders of all Bonds upon the execution thereof and the filing by the Trustee with the Issuer of the statement that the required proportion of Bondholders have consented thereto.

Promptly after the execution of any Supplement Indenture to the Indenture, the Trustee shall provide such Supplemental Indenture to the Bondholders by Electronic Means.

Modification By Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of the Indenture, the terms and provisions of the Indenture and the rights and obligations of the Issuer and the Bondholders under the Indenture, in any particular, may be modified or amended in any respect upon execution and delivery of a Supplemental Indenture by the Issuer and the Trustee making such modification or amendment and the consent to such Supplemental Indenture of Fannie Mae and the holders of all of the Bonds then Outstanding, such consent to be given and proved as provided under the heading “Consent of Bondholders” above except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights, protections, privileges, immunities, indemnities, limitations on liability or obligations of the Trustee without the written assent thereto of the Trustee, in addition to the consent of the Bondholders.

#### **Miscellaneous Provisions**

No Recourse on Bonds. All covenants, stipulations, promises, agreements and obligations of the Issuer contained in the Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Issuer and not of any of its officers or employees or members of its governing body, past, present or future, in his or her individual capacity, and no recourse shall be had for the payment of the principal of, premium, if any, or Redemption Price or purchase price of or interest on the Bonds or for any claim based thereon or under the Indenture or any other Issuer Document or the Financing Documents against any such member, officer, employee or agent of the Issuer, past, present or future or any natural person executing the Bonds.

Recycling Transactions. Notwithstanding any provisions of the Indenture to the contrary, the Issuer shall be permitted to direct payments of the Bond principal prepayments to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Bonds, so long as the Issuer simultaneously causes other Eligible Funds to be applied to prepay such portion of the Bonds. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code. In connection with such recycling and Bond prepayment, if so directed in a written direction of the Issuer provided to the Trustee prior to any prepayment date, the Trustee is hereby authorized and directed to receive any such Bond prepayment or amounts corresponding thereto and to hold such amounts, uninvested, for such period of time and to transfer such amounts to the Issuer, or to such custodian, fiscal agent or trustee designed by the Issuer and specified in such written direction. For purposes of effectuating the foregoing, the Trustee is authorized under the Indenture and directed to open and create such funds or accounts, which may be temporary in nature, as may be necessary or desirable, and to close such funds or accounts following the completion of the transfers set forth in such written direction.

## **APPENDIX D**

### **SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT**

*The following is a summary of certain provisions of the Financing Agreement which are not described elsewhere in the Official Statement. This summary does not purport to be comprehensive, and reference should be made to the Financing Agreement for a full and complete statement of its provisions.*

#### **Definitions**

Capitalized terms used but not defined herein shall have the meaning given them in the Indenture and the Financing Agreement.

#### **General Terms of the Financing**

The Issuer has authorized the issuance of the Bonds in the aggregate principal amount set forth in the Financing Agreement and Bonds in such amount shall be issued and Outstanding as of the Closing Date. The obligations of the Issuer, the Trustee and the Borrower under the Financing Agreement are expressly conditioned upon (i) the sale, issuance and delivery of the Bonds, (ii) receipt by the Trustee of the amounts set forth in the Indenture, and (iii) the making of the Mortgage Loan by the Lender. Neither the Issuer, the Lender, the Trustee nor Fannie Mae shall have any liability for any fees, costs or expenses, including, without limitation, issuance costs relating to the Bonds; all of such fees, costs and expenses shall be paid by the Borrower.

#### **Sources, Deposits and Uses**

Upon the issuance and delivery of the Bonds, the Lender will make the Mortgage Loan to the Borrower. To the extent proceeds of the Mortgage Loan remain after disbursements made on the Closing Date, the Lender will deliver funds to the Trustee for deposit into the Rehabilitation Fund to be applied by the Borrower to pay Project Costs pursuant the Indenture. The Trustee shall apply the proceeds of the Bonds as provided in the Indenture (i) to secure the Bonds until the MBS Delivery Date and (ii) to purchase the MBS on the MBS Delivery Date. The Borrower accepts the Mortgage Loan from the Lender, upon the terms and conditions set forth in the Financing Agreement, in the Mortgage Loan Documents and in the Indenture, and subject to the terms and conditions of the Regulatory Agreement. The Issuer has caused the proceeds of the Bonds to be provided to the Trustee for deposit to the Bond Proceeds Fund. The Borrower acknowledges its obligation to pay all amounts necessary to pay principal of, premium, if any, and interest on the Bonds as provided in the Indenture. The Borrower has made arrangements for the delivery to the Trustee of the MBS and of certain other Eligible Funds as contemplated in the Financing Agreement and in the Indenture. Payments on the MBS received by the Trustee shall be used to make payments of principal of, and interest on the Bonds.

#### **Notification of Prepayment of Mortgage Note**

The Lender shall notify the Trustee promptly of the receipt of any prepayment of the Mortgage Note, whether upon acceleration, by reason of application of insurance or condemnation proceeds, optional prepayment or otherwise. If such prepayment results in revisions to the amortization schedule, the Lender shall provide the revised amortization schedule to the Trustee.

#### **Events of Default**

Each of the following shall constitute an event of default under the Financing Agreement, and the term “Event of Default” shall mean, whenever used in the Financing Agreement, any one or more of the following events (after taking into account any applicable notice and cure period):

- (i) Failure by the Borrower to pay any amounts due under the Financing Agreement at the times and in the amounts required by the Financing Agreement; or

(ii) Failure by the Borrower to observe or perform any covenants, agreements or obligations in the Financing Agreement on its part to be observed or performed (other than as provided in clause (i) above) for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to the Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within ninety (90) days of receipt of notice of such failure; or

(iii) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Regulatory Agreement, including any exhibits to any of the foregoing; or

(iv) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Financing Documents.

Nothing contained in this section is intended to amend or modify any of the provisions of the Mortgage Loan Documents or to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Mortgage Loan Documents.

### **Remedies Upon an Event of Default**

(a) Subject to subsection (d) below, whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee (acting solely at the written direction of the holders of at least 75% in aggregate principal amount of the Bonds then Outstanding) may take any one or more of the following remedial steps:

(i) By any suit, action or proceeding, pursue all remedies now or hereafter existing at law or in equity to collect all amounts then due and thereafter to become due under the Financing Agreement, to enforce the performance of any covenant, obligation or agreement of the Borrower under the Financing Agreement (subject to the nonrecourse provisions of the Financing Agreement and the Regulatory Agreement) or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.

(ii) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under the Financing Agreement or to enforce any other covenant, obligation or agreement of the Borrower under (1) the Financing Agreement or (2) the Regulatory Agreement.

(iii) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(b) The provisions of subsection (a) of this section are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable under the Financing Agreement by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default under the Financing Agreement and shall have paid the reasonable charges, indemnities and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred in connection with such default, then and in every such case, such Event of Default shall be waived and annulled by the Trustee, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and the Financing Agreement, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Borrower, the Lender, the Investor Limited Partner and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to

enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate the Financing Agreement or cause the Mortgage Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Financing Documents, the Mortgage Loan Documents or any other documents contemplated thereby or by the Financing Agreement to obtain such performance or observance, (iii) cause the acceleration, foreclosure or taking of any other action or the seeking of any remedies under the Mortgage Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Mortgage Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Financing Documents or the Mortgage Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to the Financing Documents any amounts collected pursuant to action taken under this section shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No action taken pursuant to this section shall relieve the Borrower from the Borrower's obligations pursuant to the Financing Agreement.

(e) No remedy conferred upon or reserved to the Issuer or the Trustee in the Financing Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of the Financing Agreement to the contrary, after the MBS Delivery Date, so long as Fannie Mae is not in default under the MBS, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under the Financing Agreement or the Mortgage Loan Documents, other than to (i) enforce rights under the MBS, (ii) enforce the Issuer's Reserved Rights, (iii) enforce the tax covenants in the Indenture and the Financing Agreement, or (iv) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii), (iii) or (iv) above shall not include seeking monetary damages, but may, subject to (A) the last paragraph of the "Payment of Fees and Expenses" section of the Financing Agreement and (B) subsection (c) above, include the enforcement of the Borrower's obligation to pay the costs, fees and expenses owed to the Issuer and the Trustee.

#### **Notice of Default: Rights To Cure**

The Issuer and the Trustee shall each give notice to the other and the Trustee shall give notice to the Investor Limited Partner and the Lender of the occurrence of any Event of Default by the Borrower under the Financing Agreement of which it has actual knowledge. The Lender and the Investor Limited Partner shall each have the right, but not the obligation, to cure any such default by the Borrower, and upon performance by the Lender or the Investor Limited Partner to the satisfaction of the Issuer and the Trustee of the covenant, agreement or obligation of the Borrower with respect to which an Event of Default has occurred, the parties to the Financing Agreement shall be restored to their former respective positions, it being agreed that the Lender and the Investor Limited Partner shall each have the right to repayment from the Borrower of moneys it has expended and any other appropriate redress for actions it has taken to cure any default by the Borrower; provided that the Borrower's reimbursement obligation shall be non-recourse to the same extent as the underlying obligation is non-recourse to the Borrower and its officers, employees and agents.

#### **Amendment**

The Financing Agreement and all other documents contemplated by the Financing Agreement to which the Issuer is a party may be amended or terminated only if permitted by the Indenture, and no amendment to the Financing Agreement shall be binding upon, any party to the Financing Agreement until such amendment is reduced to writing and executed by the parties thereto; provided that no amendment, supplement or other modification to the Financing Agreement or any other Financing Document shall be effective without the prior written consent of Fannie Mae.

### **Non-Liability of the Issuer**

The Issuer shall not be obligated to pay the principal (or Redemption Price) of, or interest on the Bonds, except from the Trust Estate. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Issuer or any member is pledged to the payment of the principal (or Redemption Price), premium, if any, or interest on the Bonds. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with the Financing Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under the Financing Agreement or from the MBS.

The Borrower acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the Trust Estate, and agrees that if the payments to be made under the Financing Agreement shall ever prove insufficient to pay all principal, premium, if any, and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Redemption Price), premium, if any, or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

## **APPENDIX E**

### **SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT**

*The following is a summary of certain provisions of the Tax Regulatory Agreement (the “Regulatory Agreement”). The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Regulatory Agreement, copies of which are on file with the Issuer and the Trustee.*

#### **Term of Agreement and Restrictions**

The term of the Regulatory Agreement shall commence on the date of the issuance of the Bonds, irrespective of when or if the Mortgage Loan is ever actually made, and shall extend through the period (the “Qualified Project Period”) which shall commence immediately and shall end on the latest of the following: (i) the date which is 15 years after the date on which 50% of the residential units in the Project are first occupied; (ii) the first date on which no Bonds (and no other tax-exempt private activity bonds relating to the Project) are outstanding; or (iii) the date on which any assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended (“Federal Section 8”) terminates. Except as expressly provided elsewhere in the Regulatory Agreement, the Regulatory Agreement shall continue in effect throughout the Qualified Project Period. The foregoing notwithstanding, the Regulatory Agreement and all restrictions under the Regulatory Agreement shall terminate: (a) if there is delivered to the Issuer, the Owner and the Trustee an opinion of nationally recognized bond or tax counsel acceptable to the Issuer and the Trustee to the effect that failure to comply with the Regulatory Agreement will not cause interest on the Bonds to become includable in the gross income of the owners thereof for federal income tax purposes, or (b) in the event of an involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, condemnation or similar event, or a change in a federal law or an action of a federal agency after the date of issuance of the Bonds that prevents the Issuer from enforcing the terms of the Regulatory Agreement, but only if, within a reasonable period, either the Bonds are repaid or amounts received as a consequence of such event are used to provide a residential rental project which meets the terms of the Regulatory Agreement. Notwithstanding the foregoing, such requirements shall continue to apply to the Project subsequent to a foreclosure, transfer of title by deed in lieu of foreclosure or similar event if, at any time subsequent to such event, the obligor on the purpose investment (as defined in Section 1.148-1(b) of the Regulations applicable to the Code) or a Related Person obtains an ownership interest in the Project for federal tax purposes.

#### **Rental Restrictions**

Once available for occupancy each residential unit in the Project must be rented or available for rental on a continuous basis to members of the general public and occupied by individuals or families as their residence for a period equal to the longer of the Qualified Project Period or the term of the Bonds (or any bonds issued to refund the Bonds). No portion of the Project and none of the units in the Project will, at any time during the term of the Regulatory Agreement, be used on a transient basis, or as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, sanitarium, rest home or retirement home. Use on a transient basis shall mean the rental of units for an initial lease term of less than one year.

#### **Low Income Occupancy Requirements**

Continuously starting on the first date on which ten percent of the units are first occupied through the end of the Qualified Project Period, at least 40% (i.e., at least 54) of the units in the Project (“Low Income Units”) shall be occupied or made available for occupancy by Individuals of Low Income, determined from time to time by the Secretary of the Treasury (“Area Median Income”). In accordance with Regulation Section 1.103-8(b), income of individuals and area median gross income shall be determined in a manner consistent with determinations of lower income families and area median gross income under section 8 of the United States Housing Act of 1937 (or if such program is terminated, under such program as was in effect immediately before such termination). Determinations under the preceding sentence shall include adjustments for family size. Subsections (g) and (h) of section 7872 the Code shall not apply in determining the income of individuals under this subparagraph. Current adjustments for family size are set forth in an exhibit attached to the Regulatory Agreement. Area Median Income for Suffolk County for Fiscal Year 2023 for a family of four is \$156,300. Future year’s Area Median Income shall be determined consistent with Section 142(d)(2)(E) of the Code. The Owner shall take reasonable steps to verify the low income status of all

families or individuals who occupy Low Income Units. The Owner shall not execute any lease or renewal thereof for a unit proposed to be a Low Income Unit which gives the tenant a right to occupy the unit prior to the Issuer's or the Owner's determination of such tenant's income status, unless previously certified as having income less than 60% of Area Median Income under the Federal Section 8 program.

A Low Income Unit shall continue to be treated as such notwithstanding any increase in the income of the occupant except as provided in the next sentence. A Low Income Unit in which the aggregate income of the occupants as of the most recent annual recertification (as described in the Code) exceeds 140% of the applicable income limit (i.e. 140% of 60% of the Area Median Income in the case of a Low Income Unit as adjusted for family size) shall not be treated as a Low Income Unit if after such determination but before the next determination, any residential unit of comparable or smaller size in the Project is occupied by a new tenant whose income exceeds 60% of the Area Median Income. Occupancy of a unit shall refer to the date that the tenant has possession of the unit and the right to occupy such unit pursuant to a fully executed lease. In addition, each Low Income Unit in the Project which is leased to or occupied by Individuals of Low Income shall continue to be considered leased to or occupied by Individuals of Low Income after such Low Income Unit is vacated by such Individuals of Low Income until such time as such Low Income Unit is reoccupied, other than for a temporary period not in excess of 31 days, at which time a redetermination of whether the Low Income Unit is occupied by Individuals of Low Income shall be made.

In the case of new construction, the Owner acknowledges that the foregoing requires that at any time after ten percent (10%) of the residential units in the Project are occupied and prior to full occupancy the number of residential units then required to be rented to Individuals of Low Income shall be forty percent (40%) of the residential units then occupied. Once each unit in the Project has been occupied once, the number of units to be occupied by Individuals of Low Income shall be determined based on the total units in the Project.

### **Project Restrictions**

The Project shall constitute a qualified multi-family residential rental project within the meaning of §142(d) of the Code and will be used for such purposes during the term of the Regulatory Agreement. The Owner warrants that the Project will be completed with due diligence substantially in accordance with building plans and specifications as in existence on the date of the Regulatory Agreement as the same may be modified not in violation of the Financing Documents or the documents related to the Mortgage Loan (the "Mortgage Loan Documents"). The Project will consist of a building or structure or several proximate buildings or structures which are located on a single tract of land or contiguous tracts of land with or without facilities directly related and essential thereto (i.e., the Land). The term "tract" means any parcels of land which are contiguous except for the interposition of a road, street, stream or similar property. Parcels are contiguous if their boundaries meet at one or more points. Pursuant to the plans and specifications, all of the units in the Project are similarly constructed. The Owner will be the sole owner of the Project for federal tax purposes, and the Project is being financed pursuant to a common plan with the Bonds.

The Owner (or a party related to the Owner) shall not occupy a unit in a building or structure unless such building or structure contains more than four units, and any units shall only be occupied by agents, employees or representatives of the Owner as reasonably required for the proper maintenance or management of the Project. All of the units in the Project will contain within the unit complete living, sleeping, eating, cooking and sanitation facilities, all of which are separate and distinct from other units. All facilities and land are: (i) located on the Land; (ii) solely for the benefit of tenants at the Project; and (iii) of a character and size commensurate with the needs of such tenants.

The Project shall not be used by any persons or entities other than the Owner, its employees, the tenants and their guests. Any swimming pools, recreation facilities, or other health club facilities at the Project (a) do not require an independent charge is assessed; and (b) are not available to the general public.

Continual or frequent nursing, medical, or psychiatric services will not be made available at the Project.

No units in the Project shall be rented other than to individual or families without an opinion of Certificate Counsel that such rentals will not adversely affect the exclusion from gross income of interest on the Bonds for federal tax purposes.

### **Low Income Unit Requirements**

The Low Income Units shall: (i) constitute at least 40% of each unit type, by number of bedrooms; (ii) be sized comparably to the other units; and (iii) have amenities comparable to other units. These requirements shall continue throughout the Qualified Project Period. Tenants in Low Income Units in the Project shall enjoy equal access with all other tenants to all on-site and off-site common facilities of the Project. The Owner shall not separately charge Individuals of Low Income that occupy Low Income Units in addition to rent for use of amenities that are part of the Project unless they receive an opinion of nationally recognized bond counsel to the effect that such charges will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

### **Change of Principals and Transfer Restrictions**

In addition to the restrictions on conveyance of the Project (or a portion thereof) and interests of the Owner set forth in the Financing Agreement and except as provided below, while the Bonds are outstanding, the Owner shall not convey the Project or interests in the ownership of the Project in a manner such that any contractor or subcontractor, or any other person to whom proceeds of the Bonds have been paid becomes a related person to the Owner and the Owner shall not otherwise become a related person to any subcontractor or such other recipients of proceeds of the Bonds except on receipt of an opinion of nationally recognized bond counsel acceptable to the Issuer and Trustee that such transfer will not adversely affect the exclusion of interest on the Bonds from gross income for federal tax purposes. The preceding sentence shall not apply to prevent the payment of proceeds to the Owner, the developer, the contractor or any subcontractor, provided that the other requirements set forth in the Regulatory Agreement (e.g., such as those related to qualified costs) are satisfied. For purposes of the Regulatory Agreement, “related person” has the meaning ascribed thereto in Section 144(a)(3) of the Code. Notwithstanding anything to the contrary contained in this section, Wells Fargo Community Investment Holdings, LLC (the “Investor Limited Partner”) shall be permitted to remove and replace a general partner of the Owner for cause in accordance with the Owner’s Amended and Restated Agreement of Limited Partnership (the “Partnership Agreement”), and without the consent of the Issuer or Trustee, or to transfer limited partnership interests pursuant to the Partnership Agreement without the consent of the Issuer or Trustee. The Owner may execute an amendment to the Partnership Agreement in connection with the removal of a general partner in accordance with the Ownership Agreement and the transfer of the limited partnership interests in the Owner without the approval of the Issuer or Trustee. The execution and delivery of a purchase option agreement shall not constitute a default or Event of Default under the Regulatory Agreement.

Subject to the terms described in “Term of Agreement and Restrictions” above, the terms and conditions of the Regulatory Agreement shall remain outstanding and enforceable against any new owner of the Project.

## **APPENDIX F**

### **BOOK-ENTRY SYSTEM**

*The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer and the Borrower believe to be reliable, but neither the Issuer, the Underwriter nor the Borrower take responsibility for the accuracy thereof.*

The Depository Trust Company ("DTC"), New York, New York will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or held by the Trustee.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the bonds are to be accomplished by entries made on the records of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in bonds, except in the event that use of the book-entry system for the bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the transaction documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial

Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, the amount of the interest of each Direct Participant in such issue to be redeemed shall be determined on a pro rata basis in accordance with the “Pro Rata Pass Through Distributions of Principal” procedures of DTC.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Issuer, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC or its nominee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer. Under such circumstances, in the event that a successor depository is not obtained, bonds are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the bonds will be printed and delivered.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

### **Section 3. Provision of Annual Reports.**

(a) The Borrower will, or will cause the Dissemination Agent to, not later than 180 days following the end of the Borrower's fiscal year, commencing with the fiscal year ending on December 31, 2024, provide to the MSRB an Annual Report which is consistent with the requirements described below. No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent will contact the Disclosure Representative to determine if the Borrower is in compliance with subsection (a).

(c) If the Dissemination Agent is unable to verify that an Annual Report has been provided to the MSRB by the date required in subsection (a), the Dissemination Agent will send in a timely manner a notice to the MSRB in substantially the form attached as Exhibit B to this Continuing Disclosure Agreement.

(d) The Dissemination Agent will file a report with the Borrower and (if the Dissemination Agent is not the Trustee) the Trustee certifying that the Annual Report has been provided pursuant to this Continuing Disclosure Agreement, stating the date it was provided.

Content of Annual Reports.** The Borrower's Annual Report will contain or incorporate by reference the financial information with respect to the Project, provided at least annually, of the type included in Exhibit A hereto, which Annual Report may, but is not required to, include Audited Financial Statements. If the Borrower's Audited Financial Statements are not available by the time the Annual Report is required to be filed, the Annual Report will contain unaudited financial statements, and the Audited Financial Statements will be filed in the same manner as the Annual Report when and if they become available.

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an "Obligated Person" (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format ("PDF") or other acceptable electronic form.

- (xiii)    The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

For purposes of clauses (xv) and (xvi) of this Section 5(a), “financial obligation” is as contemplated by Exchange Act Release No. 34-83885; File No. S7-01-17 (the “Adopting Release”).

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice (by facsimile transmission confirmed by telephone or by email). While the Dissemination Agent is also the Trustee, the Dissemination Agent shall be deemed to have actual knowledge of those items listed in clauses (i), (iii) (solely with respect to funds held by the Trustee), (iv), (v), (vii), (viii), (ix), (x) and (xiv) above without the Dissemination Agent having received notice of such event. While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xiv) above without the Dissemination Agent’s having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsections (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

**Section 6. Amendment; Waiver.** Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under “Provision of Annual Reports,” “Contents of Annual Reports” or paragraph (a) under “Reporting of Listed Events,” it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative

explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

**Section 7. Default.** In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement, and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking, or specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Financing Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

**Section 8. Beneficiaries.** This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

**Section 9. Additional Information.** Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

**Section 10. Duties, Immunities and Liabilities of Dissemination Agent.**

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

The obligations of the Borrower under this Section 10 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Borrower.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Continuing Disclosure Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

**Section 11. Notices.** All notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made when delivered personally or by mail (including electronic mail) to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Continuing Disclosure Agreement and addressed as set forth below or telecopied to the telecopier number of the recipient, with confirmation of transmission, indicated below:

Re:       \$32,650,000 Riverhead IDA Economic Job Development Corporation  
          Multifamily Tax-Exempt Bonds  
          (Fannie Mae MBS-Secured) (Social)  
          Series 2023, (River Pointe Apartments Project)

Ladies and Gentlemen:

We have acted as bond counsel to the Riverhead IDA Economic Job Development Corporation (the “Issuer”), in connection with the issuance on the date hereof by the Issuer of its \$32,650,000 Riverhead IDA Economic Job Development Corporation Multifamily Tax-Exempt Bonds (Fannie Mae MBS-Secured) (SOCIAL<sup>†</sup>) Series 2023, (River Pointe Apartments Project) (the “Series 2023 Bonds”). The Series 2023 Bonds are authorized to be issued pursuant to:

- (i)       Section 1411 of the New York Not-for-Profit Corporation Law (the “Act”),
- (ii)      the Bond Resolution duly adopted by the Issuer on November 13, 2023 (the “Resolution”), and
- (iii)     the Indenture of Trust, dated as of December 1, 2023 (the “Indenture”), by and between the Issuer and U.S. Bank Trust Company, National Association, as trustee for the benefit of the Owners of the Series 2023 Bonds (the “Trustee”).

The Series 2023 Bonds are being issued for the purpose of providing funds to finance the acquisition, renovation and equipping of a multifamily rental housing development, known as River Pointe Apartments (the “Facility”), located in Riverhead, New York (collectively, the “Project”). The Facility will be owned and operated by Riverhead Housing, L.P. (the “Borrower”).

The Issuer will loan the proceeds of the Series 2023 Bonds to the Borrower pursuant to the terms of a Financing Agreement, dated as of December 1, 2023 (the “Financing Agreement”), between the Issuer and the Borrower. Pursuant to the Financing Agreement, the Borrower has agreed, among other things, to (a) make payments on the Mortgage Note (as hereinafter defined), and (b) pay all required fees associated with the Series 2023 Bonds and the Mortgage Loan (as hereinafter defined). To assist in financing the Project, at the direction of the Borrower, amounts on deposit in the Indenture will be used to acquire the Fannie Mae Certificate identified in the Indenture (the “MBS”) from Fannie Mae, which MBS will be backed by a mortgage loan (the “Mortgage Loan”) from Wells Fargo Multifamily Capital (the “Lender”) to the Borrower as evidenced by a multifamily note (the “Mortgage Note”) and secured by the Multifamily Deed to Secure Debt, Assignment of Leases and Rents, Security Agreement and Fixture Filing, dated as of December 14, 2023, together with all riders and exhibits (the “Mortgage”), executed by the Borrower. The MBS is to be held in trust by the Trustee and pledged under the terms of the Indenture to secure payment of the Series 2023 Bonds.

The Issuer, the Borrower, and the Trustee have entered into a Tax Regulatory Agreement, dated the date hereof (the “Tax Regulatory Agreement”), a Certificate as to Arbitrage, and certain certificates, affidavits and instruments attached thereto, each dated as of the date hereof (the “Certificate as to Arbitrage” and collectively with the Tax Regulatory Agreement, the “Tax Documents”), in which the Issuer and the Borrower have made certain representations and covenants, established certain conditions and limitations and created certain expectations, relating to compliance with the requirements imposed by the Internal Revenue Code of 1986, as amended (the “Code”). The Tax Regulatory Agreement will be recorded in the Suffolk County Clerk’s office.

The Issuer has made certain findings and determinations based solely upon the representations and warranties of the Borrower, and without independent investigations on the part of the Issuer, to the effect that (i) the Facility is primarily designed to serve the affordable housing needs within the Town of Riverhead, New York; and (ii) the Facility will constitute a project for which the predominant purpose will be to make available affordable, safe, clean and modern affordable housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Riverhead.

Wells Fargo Bank, National Association (the “Underwriter”) has agreed to purchase the Series 2023 Bonds pursuant to the terms of a Bond Purchase Agreement, dated December 7, 2023 (the “Bond Purchase Agreement”), among the Issuer, the Underwriter, and the Borrower.

The Series 2023 Bonds are dated December 14, 2023 and authenticated December 14, 2023 (the “Closing Date”), and bear interest from the date thereof at the rates and pursuant to the respective terms of the Series 2023 Bonds. The Series 2023 Bonds are subject to prepayment or redemption prior to maturity, as a whole or in part, at such time or times, under such circumstances and in such manner as is set forth in the Series 2023 Bonds and the Indenture.

As bond counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates and documents (including all documents constituting the Transcript of Proceedings with respect to the issuance of the Series 2023 Bonds) as we have deemed necessary or appropriate for the purposes of the opinions rendered below. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion, without having conducted any independent investigation, we have relied upon, and assumed the accuracy and truthfulness of, the aforesaid instruments, certificates and documents.

Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned in Section 1.01 of the Indenture.

In rendering the opinions set forth below, we have relied upon, among other things, certain representations and covenants made by the parties in this transaction including: (i) the Borrower in (a) the Bond Purchase Agreement, (b) the Tax Regulatory Agreement, (c) the Financing Agreement, (d) the Borrower exhibits to the Certificate as to Arbitrage, (e) the Closing Certificate of the Borrower, dated the date hereof, (f) the Multifamily Preliminary Checklist submitted to us by the Borrower, (g) the Continuing Disclosure Agreement, dated as of December 1, 2023 (the “Continuing Disclosure Agreement”) between the Borrower and U.S. Bank Trust Company, National Association, as dissemination agent, and (h) the Official Statement, dated December 7, 2023 (the “Official Statement”) and (ii) the Issuer in (a) the Bond Purchase Agreement, (b) the Indenture, (c) the Tax Regulatory Agreement, (d) the Certificate as to Arbitrage, (e) the Financing Agreement, and (f) the Closing Certificate of the Issuer, dated the date hereof. We call your attention to the fact that there are certain requirements with which the Issuer and the Borrower must comply after the date of issuance of the Series 2023 Bonds in order for the interest on the Series 2023 Bonds to remain excluded from gross income for Federal income tax purposes. Copies of the aforementioned documents are included in the Transcript of Proceedings.

In addition, in rendering the opinions set forth below, we have relied upon the opinions of counsel to the Borrower, Levitt & Boccio, LLP, New York, New York; and counsel to the Trustee, Paparone Law PLLC, New York, New York, all of even date herewith. Copies of the aforementioned opinions are contained in the Transcript of Proceedings.

Based upon and subject to the foregoing, we are of the opinion that:

1. The Issuer is a duly organized and existing corporate entity constituting a local development corporation of the State of New York.
2. The Issuer is duly authorized to issue, execute, sell and deliver the Series 2023 Bonds, for the purpose of paying the costs described above.
3. The Resolution has been duly adopted by the Issuer and is in full force and effect.
4. The Bond Purchase Agreement, the Indenture, the Tax Regulatory Agreement and the Financing Agreement have been duly authorized, executed and delivered by the Issuer and assuming the due authorization, execution and delivery thereof by the other parties thereto, are legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms.
5. The Series 2023 Bonds have been duly authorized, executed and delivered by the Issuer and are legal, valid and binding special obligations of the Issuer payable solely from the revenues derived from the Financing Agreement, enforceable against the Issuer in accordance with their respective terms.
6. The Series 2023 Bonds do not constitute a debt of the State of New York or of the Town of Riverhead, New York, and neither the State of New York nor the Town of Riverhead, New York, will be liable thereon.
7. The Code sets forth certain requirements which must be met subsequent to the issuance and delivery of the Series 2023 Bonds for interest thereon to be and remain excluded from gross income for Federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2023 Bonds to be included in gross income for Federal income tax purposes retroactive to the date of issue of the Series 2023 Bonds. Pursuant to the Indenture, the Financing Agreement and the Tax Documents, the Issuer and the Borrower has covenanted to maintain the exclusion from gross income of the interest on the Series 2023 Bonds pursuant to Section 103 of the Code. In addition, the Issuer and the Borrower have made certain representations and certifications in the Indenture, the Financing Agreement and the Tax Documents. We have not independently verified the accuracy of these certificates and representations.

Under existing law and assuming compliance with the tax covenants described herein and the accuracy of the aforementioned representations and certifications of the Issuer and the Borrower interest on the Series 2023 Bonds is excluded from gross income for Federal income tax purposes under Section 103 of the Code, except that no opinion is expressed as to the exclusion of interest from gross income for any period during which such Series 2023 Bonds are held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the Facility or a “related person”. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. For taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the “adjusted financial statement income” of such corporations.

8. Under existing law, interest on the Series 2023 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision of the State of New York, assuming compliance with the tax covenants and the accuracy of the representations and certifications described in paragraph 7 hereof.

Except as stated in paragraphs 7 and 8, we express no opinion as to any other Federal, state or local tax consequences of the ownership or disposition of, or the amount, accrual or receipt of interest on, the Series 2023 Bonds. Furthermore, we express no opinion as to any Federal, state or local tax law consequences with respect to the Series 2023 Bonds, or the interest thereon, (i) if any action is taken with respect to the Series 2023 Bonds or the proceeds thereof upon the advice or approval of other counsel, or (ii) if pursuant to the Fannie Mae Rider to the Tax Regulatory Agreement (the “Rider”), the requirements of the Tax Regulatory Agreement terminate on a date earlier than as otherwise provided in the Tax Regulatory Agreement.

The foregoing opinions are qualified to the extent that the enforceability of the Series 2023 Bonds, the Bond Purchase Agreement, the Indenture, the Financing Agreement and the Tax Regulatory Agreement may be limited by bankruptcy, insolvency or other laws or enactments now or hereafter enacted by the State of New York or the United States affecting the enforcement of creditors' rights and by restrictions on the availability of equitable remedies and to the extent, if any, that enforceability of the indemnification provisions of such documents may be limited under law. We express no opinion with respect to the availability of any specific remedy provided for in any of the bond documents.

In rendering the foregoing opinions, we are not passing upon and do not assume any responsibility for the accuracy, completeness, sufficiency or fairness of any documents, information or financial data supplied by the Issuer, the Borrower or the Trustee in connection with the Series 2023 Bonds, the Bond Purchase Agreement, the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Certificate as to Arbitrage, the Official Statement, the Continuing Disclosure Agreement or the Project and make no representation that we have independently verified the accuracy, completeness, sufficiency or fairness of any such documents, information or financial data. In addition, we express no opinion herein with respect to the accuracy, completeness, sufficiency or fairness of the Official Statement, with respect to the Series 2023 Bonds.

We express no opinion herein with respect to the registration requirements under the Securities Act of 1933, as amended, the registration or qualification requirements under the Trust Indenture Act of 1939, as amended, the registration, qualification or other requirements of State Securities laws or the availability of exemptions therefrom.

We express no opinion as to the sufficiency of the description of the Project contained in the Financing Agreement or as to the adequacy, perfection or priority of any security interest in any collateral securing the Series 2023 Bonds.

Furthermore, we express no opinion as to the Continuing Disclosure Agreement. We express no opinion with respect to whether the Issuer and the Borrower (i) have complied with the State Environmental Quality Review Act, (ii) have obtained any or all necessary governmental approvals, consents or permits, or (iii) have complied with the New York Labor Law or other applicable laws, rules, regulations, orders and zoning and building codes, all in connection with the renovation, construction, equipping, furnishing and operation of the Project.

The opinions expressed herein may be relied upon by the addressees and may not be relied upon by any other person without our prior written consent.

Very truly yours,

### **FANNIE MAE SUSTAINABLE FRAMEWORK**

#### **General**

The Fannie Mae framework for its social, green, and sustainable mortgage-backed securities (the “Fannie Mae Sustainable Framework”), in effect as of the date hereof, provides opportunities for social, green, or sustainable investing, increasing the positive impact on social and green issues throughout the United States multifamily housing market. The Fannie Mae Sustainable Framework addresses the four components of the International Capital Markets Association (“ICMA”) Social Bond Principles, Green Bond Principles and the union of both as outlined in the Sustainability Bond Guidelines, as well as their recommendation on the use of external reviews and impact reporting. The Fannie Mae Sustainable Framework can be found via the following link: <https://capitalmarkets.fanniemae.com/media/20616/display>. The Fannie Mae Sustainable Framework may be modified or eliminated at any time in Fannie’s discretion and the current Fannie Mae Sustainable Framework may not be applicable to the MBS at the time the mortgage loan backing the MBS is originated.

Fannie Mae has received a Second Party Opinion (SPO) on the Fannie Mae Sustainable Framework from Sustainalytics, an independent provider of Environmental, Social and Governance (ESG) and corporate governance research and ratings. The SPO can be found via the following link: <https://capitalmarkets.fanniemae.com/media/20621/display>.

#### **Use of Proceeds**

MBS designated under the Fannie Mae Sustainable Framework include multifamily MBS designated as Social, Green, or Sustainable, based on which eligibility criteria are met, and are expected to finance assets that align to the ICMA project categories, as described in the Fannie Mae Sustainable Framework. Fannie Mae’s national network of Delegated Underwriting and Servicing (DUS®) lender partners provide mortgage loans to commercial real estate owners for the acquisition or refinance of multifamily properties. These loans are secured by several types of multifamily properties, including apartment buildings, manufactured housing communities, seniors housing, dedicated student housing, affordable housing, and cooperatives. Fannie Mae will acquire mortgage loans backed by properties meeting the social, green, and/or sustainable eligibility criteria (as described below) under the Fannie Mae Sustainable Framework and securitize those mortgage loans into an MBS with the applicable designation. For the Social MBS designation, the property must meet at least one of the Social criteria (Restricted Affordable Housing, Unrestricted Affordable Housing, Manufactured Housing Communities and Healthy Housing Rewards). For the Green MBS designation, the property must meet at least one of the Green criteria (Green Building Certification and Green Rewards). For the Sustainable MBS designation, the property must meet at least one of the Social criteria and one of the Green criteria.

#### **Eligibility and Project Evaluation**

Loans purchased by Fannie Mae from its DUS lenders will be Eligible Assets under the Fannie Mae Sustainable Framework if they:

- Conform to the Multifamily Selling and Servicing Guide requirements;
- Conform to additional requirements documented in Fannie Mae Forms;
- Contain all required modification and exhibits to the Loan Agreement/Financing Agreement; and
- Meet at least one of the eligibility criteria set forth in the Fannie Mae Sustainable Framework.
  - For Social MBS, meet at least one social criterion at loan origination;
  - For Green MBS, meet at least one green criterion at loan origination; or

- For Sustainable MBS, meet at least one of each of the social and green criteria at loan origination.

## **Social Criteria**

**Restricted Affordable Housing:** A Restricted Affordable Housing loan is available on a Multifamily Affordable Housing (“MAH”) property which is encumbered by a regulatory agreement. The property must provide rent-restricted housing subsidized by one or more various government programs including Low-Income Housing Tax Credits (“LIHTC”), the U.S. Department of Housing and Urban Development’s Section 8 program, and state and local housing incentive initiatives. The rent or income restrictions on the property must meet or exceed one of the following:

- 20% @ 50%: at least 20% of all units have rent or income restrictions in place making them affordable to households earning no more than 50% of area median income (“AMI”) as adjusted for family size;
- 40% @ 60%: at least 40% of all units have rent or income restrictions in place making them affordable to households earning no more than 60% of AMI as adjusted for family size (except for New York City, where at least 25% of all units have rent or income restrictions in place, making them affordable to households earning no more than 60% of AMI as adjusted for family size);
- Section 8 Housing Assistance Payments (HAP) contract: at least 20% of all units are subject to a project-based HAP contract;
- Special Public Purpose: the property is:
  - subject to an affordable regulatory agreement imposed by a government entity, containing other rent and/or income restrictions;
  - has rent or income restrictions that meet or exceed 20% @ 80%: at least 20% of all units have rent or income restrictions in place making them affordable to households earning no more than 80% of AMI as adjusted for family size;
  - with rent not exceeding 30% of the adjusted AMI; and
  - meets a noteworthy special public purpose; or
- Self-Imposed Restrictions: the borrower may voluntarily self-impose rent and income restrictions to preserve multifamily affordable housing. These restrictions must:
  - be placed on record against the property;
  - remain in place during the mortgage loan term;
  - be certified annually by the borrower and a third-party administering agent; and
  - be monitored by the lender to ensure the property’s compliance.

**Unrestricted Affordable Housing:** In order to meet the needs of workforce households across the spectrum, Fannie Mae provides financing for market-rate units that do not receive support from government housing programs, but still offer affordable rents in their local markets. These units are generally in class B or C properties that may provide affordable rents due to the age, condition or location of the asset. For a property to qualify as Unrestricted Affordable Housing, at least 80% of all units must be affordable to households earning no more than 60% of AMI.

**Manufactured Housing Communities (MHC):** Manufactured housing continues to be an important part of the affordable housing stock, both for owners and renters. The median annual household income of manufactured home residents who own their homes is approximately \$35,000, half of the median annual income of site-built homeowners. For renters of manufactured housing, over one-third earn less than \$20,000 per year. In order to support this

community, Fannie Mae provides financing for owners of MHC sites in which the individual pad sites are leased to owners of manufactured homes. Through its program requirements, Fannie Mae seeks to influence the quality and affordability of these communities. Additional support is available for:

- Communities that implement Tenant Site Lease Protections for at least 25% of the Sites, limiting the annual rent increases for tenants; and
- Communities owned by a non-profit entity.

The percentage of park-owned homes generally may not exceed 35%. Density is based on market norms and generally should not exceed 12 Manufactured Homes per acre for an existing community and seven Manufactured Homes per acre for a new community. With limited exceptions, all Manufactured Homes should conform to applicable Manufactured Housing (MH) Housing and Urban Development (HUD) Code standards.

Healthy Housing Rewards: The Healthy Housing Rewards initiative provides financial incentives for borrowers who incorporate health-promoting design features and practices or resident services in their newly constructed or rehabilitated multifamily affordable rental properties. Properties can follow one of two pathways:

- **Healthy Design:** Properties that are designed to encourage physical activity, healthy eating and improved air quality - such as playgrounds, community gardens and tobacco-free policies. Properties must meet or exceed the minimum certification standards of the Fitwel® Certification System which is operated by the Center for Active Design.
- **Resident Services:** Borrowers must become (or partner with) a Certified Organization for Resident Engagement & Services (CORES) certified sponsor and obtain Enhanced Resident Services (ERS) certification for their property. The certifications are operated by Stewards for Affordable Housing for the Future. Borrowers who incorporate a system of resident services for their tenants, such as health and wellness services, work and financial capability support, and child education and academic support.

**Healthy Design Qualification Process.** If the property meets Healthy Design affordability criteria, the borrower reviews the Fitwel Multifamily Residential Scorecard (available at <https://fitwel.org/resources>) to determine if the property can meet or exceed minimum certification standards of the Fitwel Certification System. The borrower registers the property on the Fitwel Portal (<http://www.fitwel.org> or [app.fitwel.org](http://app.fitwel.org)), completes the Fitwel Scorecard, uploads all required documentation and submits the property for review. If the property is an existing building that has already incorporated healthy design elements, the borrower will obtain the “Built” certification. If the property is new construction or undergoing renovation to incorporate healthy design elements, the borrower will obtain the “Design” certification by mortgage loan closing and the “Built” certification after improvements are complete.

## **Green Criteria**

Fannie Mae offers two Green Mortgage Loan products through its Multifamily DUS business:

Green Building Certification: To be eligible for a Green Building Certification loan, a property must have been awarded a certification recognized by Fannie Mae. There are currently 35 different certifications from 12 different issuing organizations that are recognized.

Green Rewards: To be eligible for a Green Rewards Mortgage Loan, the borrower must commit to install energy and water efficiency measures that are projected to reduce whole property energy and water consumption combined by at least 30%, of which a minimum of 15% must be a projected reduction in energy consumption. Energy consumption reduction may be met through a combination of renewable energy generation and energy efficiency.

Green Rewards Program Requirements and Reporting: Projects that qualify for a Green Rewards loan contain energy and water efficiency measures (“EWEMs”) that are projected to reduce the entire property’s annual energy and/or water consumption by at least 30%, of which at least 15% must be a projected reduction in energy consumption through a combination of renewable energy generation and/or energy efficiency measures. Eligible EWEMs include:

solar photovoltaic systems; energy efficient heating, ventilation, and air conditioning (HVAC) systems; energy efficient boilers; energy efficient lighting, such as LED; control technologies, such as smart thermostats in each residential unit and Building Management systems (BMS) for central building control; water efficient fixtures including low-flow toilets and faucets; energy efficient appliances such as ENERGY STAR® refrigerators; and energy saving improvements such as adding insulation, low U-factor and low solar heat gain coefficient (SHGC) windows, light reflective roofing, etc.

Securing the Green MBS designation on a Green Rewards loan requires the Lender to complete a High-Performance Building Report that meets ASHRAE (American Society of Heating, Refrigerating and Air-Conditioning Engineers) Level 2 and Fannie Mae standards, using a qualified independent High Performance Building (HPB) consultant. The report informs the borrower of opportunities at the Project to save energy and water, and provides the list from which the borrower must select qualifying improvements.

At the time of closing the loan, the borrower must commit to report to Fannie Mae annually the property's energy and water performance including the ENERGY STAR Score Source Energy Use Intensity (EUI), US EPA Water Score, and Water Use Intensity (WUI). The Lender must submit the HPB Report to Fannie Mae at the time of loan delivery, which will occur after locking the rate and closing the loan with the borrower.

Fannie Mae has established governance and risk management procedures that ensure frequent and comprehensive audits of consultants, reports, and property performance data. Audits are results-based and include site visits for verification. If buildings or consultants fail to meet the criteria, there is a mechanism to remove them from eligibility. Information related to Fannie Mae Green Financing is available at <https://multifamily.fanniemae.com/financing-options/specialty-financing/green-financing>.

CICERO Second Opinion. In June 2018, Fannie Mae engaged the Center for International Climate and Environmental Research ("CICERO") to review its Green Financing Framework. CICERO issued its Second Opinion and found that the framework aligns with the ICMA Green Bond Principles, an internationally recognized standard for green bonds. CICERO recognized Fannie Mae for well-established governance and risk management procedures, internal annual review and revision by the Green Financing Business Team, transparent reporting procedures and in-house technical expertise and tools. CICERO's Second Opinion can be found at [https://multifamily.fanniemae.com/sites/g/files/koqyhd161/files/migrated-files/content/fact\\_sheet/green-bond-second-opinion.pdf](https://multifamily.fanniemae.com/sites/g/files/koqyhd161/files/migrated-files/content/fact_sheet/green-bond-second-opinion.pdf).

Measurement and Verification. Fannie Mae has implemented a service for borrowers and lenders to streamline and simplify the annual reporting of energy and water performance data. Fannie Mae has engaged a service provider, Bright Power, to provide measurement and, with respect to Green Rewards loans, verification services related to Fannie Mae Green MBS to assist lenders and borrowers in measuring annual energy and water performance. Additional information on this service is available at <https://multifamily.fanniemae.com/sites/g/files/koqyhd161/files/migrated-files/content/faq/mf-green-measurement-verification-service-borrower.pdf>.

## **Management of Proceeds**

Multifamily MBS under the Fannie Mae Sustainable Framework are generally backed by an individual loan originated by one of Fannie Mae's DUS lenders in compliance with Fannie Mae's published DUS origination and servicing standards and whose collateral property meets one of the eligibility criteria defined in the Fannie Mae Sustainable Framework. The management of the proceeds from these securities are consistent across Fannie Mae's securitization program. Fannie Mae commits to acquire the mortgage loans from the lenders if they conform to all requirements stated in Fannie Mae's Selling Guides. Once acquired, Fannie Mae securitizes the loan into a fully guaranteed MBS and the MBS is auctioned to the general MBS investor community. The proceeds from the sale of the MBS will finance the acquisition or refinancing of a property that must also meet one of the eligibility criteria set in the Fannie Mae Sustainable Framework.

## Reporting

Fannie Mae's multifamily business publishes data both at-issuance and ongoing for its MBS through a web-based system called [DUS Disclose](#)®. Through DUS Disclose, investors can obtain comprehensive information about multifamily securities including the performance of the loans backing multifamily MBS and financial information at the property level. DUS Disclose provides the following features: (1) At-issuance and ongoing disclosure documents and data that align with the industry; (2) Detailed property financial statement disclosure; (3) Security, loan, and property information in a downloadable format; (4) Available active and terminated security information; and (5) A user-friendly interface. DUS Disclose users can search a multifamily pool number or CUSIP on the website or use the advanced search feature. This search feature allows investors to customize a downloadable search result including extensive pool information such as factors, loan details, and weighted-average statistics. Fannie Mae's disclosure system also includes certain affordability and green data that is required to be reported by multifamily borrowers using Fannie Mae's financing products including the percentage of units at a MAH property falling into certain AMI brackets as well as the multiple green disclosure fields outlined in the Fannie Mae Sustainable Framework. In addition, the property type of every financed asset is disclosed as well as the specific address information needed to determine the local area's economic composition.

Fannie Mae is committed to providing extensive disclosure on MBS under the Fannie Mae Sustainable Framework to enable investors to evaluate the performance of each property. Fannie Mae publishes multifamily MBS disclosure files that feed third-party sites such as Bloomberg, Intex, and eMBS. Some third-party data providers include ESG-related disclosures. For example, Bloomberg's current MBS disclosure screens for multifamily MBS includes fields disclosing the percentage of units at the property that are affordable to renters earning no more than 60% of AMI, if the property is a manufactured housing community, and if it is also part of Fannie Mae's Green Financing program. These fields enable investors to quickly determine if a bond meets their portfolio requirements. Fannie Mae continues to work with these data providers in order to help investors with a Socially Responsible Investment (SRI) mandate to determine the appropriateness of MBS under the Fannie Mae Sustainable Framework as a part of their investment portfolio.
